Summary: REDSIA FAL (2) has had many chances to get it right but appears to be in the right form to get it right in this contest. RAIDEN(4) isn't the most genuine sort around but has a couple of runs which will see him being a force here.

2. PONTE DE LIMA - Was a winner at the penultimate run but only managed 7th place at Agen over 2500m last time. Others are preferred for the shortlist

3. ENERGIA TOURISMO - Two time winning son of Tourist, finished 4th at Machecould over 2350m on the 11th of this month and has respectable enough form to make a race of it. Good chance

4. LOUISE GREEN - Placed 5th at Machecoul over 2350m on the 11th of this month and will need to serve up more than that to win but can certainly place

5. BANMA - Was a winner three starts back at Niort but two runs since then have been on the decline at two different tracks over two different distances. Off form and hard to make a case for

6. KATIE LIGHT - She has placed 50% of the time and should be able to get it right soon despite competing in some low grade races. Include in the quartet as the place value

7. LA FLANDRINE - Placed 6th at Chantilly in a fairly competitive race over 1900m on the 8th of this month and bumps the right field here. Bright winning chance

8. BYGOUDINE - Ignore last run, placed 2nd at Niort over 2250m in the penultimate and will be able to go close based on that run alone. Each way chance

9. HELP DAVIER - Posted a much better effort last time when racing at Niort over 2250m on the 12th of October placing 4th. Strong place claims

10. MEKHTALIA - She has only placed once in her career, her last run is a worry and she will need considerable progression to threaten here. Small, outside place chance at best

Summary: LA FLANDRINE (7) is lightly raced, ran well on debut and meets the right field to run a huge race. Her last two runs can be progressed on. BYGOUDINE (8) will have a huge chance if dismissing the last run when not finding a place. The penultimate start was good enough to suggest she has solid claims here. HELP DAVIER (9) is a tad erratic but on very best form, can finish in the first four. ENERGIA TOURISMO (3) is another one that must be given consideration.
