R1 VINCENNES [L-H]

C1 - PRIX VOURASIE - 2200m (a1m1/2) - Gr3 - Harness - EUR € 60,000

1. NOVA DE CELLAND - Would have finished closer in Gr.3 Prix Marcel Dejean over course and distance on 17 October had she been afforded a run. With form maintained, and a better trip, can play an active role this time

2. NESTOLA - Takes a leap in category after running 2nd in a Class D over course and distance 3 weeks ago and appears to have very limited prospects

3. NACRE DU MOUTHIEUX - Won a Class D over course and distance with authority on 12 September. Has not raced since, and is untried at this level, but has buckets of talent and will be justifiably well supported

4. NOVA ISTORIA CHOC - Solid in all 3 so far, latterly 2nd to NANIKA DU PONT (5) in a 2875m Enghien Class B on 16 October, but would be preferred a category down

5. NANIKA DU PONT - Got off the mark in good order here in mid-October, securing a 2875m Enghien Class B, but in this company will have her work cut out

6. NYMPHE D'ELLE - Close 2nd to NAYARA (7) in a Class B here on 3 November. Has done everything asked of her to date but represents no more than a minor place chance

7. NAYARA - Improving sort that won a Class B over course and distance early this month, on first start for new trainer. Still has ground to make up but is a progressive filly that can make her presence felt

8. NORMANDIE NIEMEN - Classy future prospect that could well have won a Class A here in late-September had she not lost her action. More than made amends at Graignes and David Thomain will be out to prove a point. Claim

9. NOCIVE DU CHOQUEL - Runner-up in both starts here, most recently to NOUBA DU BAS BOSQ (10) in Prix Marcel Dejean last month, and has every right to take her chances here. First 5

10. NOUBA DU BAS BOSQ - Has gone from strength to strength since her July debut, making it 4 for 4 in Gr.3 Prix Marcel Dejean under these conditions on 17 October. Faces main threat from her stable companion but is still a leading proposition

Summary: Philippe Allaire has won four of the last 6 renewals of this race, presents NORMANDIE NIEMEN (8) who has won 3 of her 4 starts to date, and looks set to add another Prix Vourasie to his tally. David Thomain will still want to be wary of stablemate NOUBA DU BAS BOSQ (10) who has yet to taste defeat, and the Duvaldestin NACRE DU MOUTHIEUX (3) who starts for the first time since flying up over course and distance over 2 months ago. NOVA DE CELLAND (1) ran 2nd to her that day before being denied a run in the Gr.3 Prix Marcel Dejean.

C2 - PRIX TIMOKO - 2200m (a1m1/2) - Gr3 - Harness - EUR € 60,000

- 1. NET MONEY** - Opened Vincennes account late last month at first time of asking. Is clearly a useful future prospect and even though in superior company this time still looks a major player
- 2. NAT KING COLE** - Made short work of an Enghien Class C before losing his action in Gr.3 Prix Louis Cauchois on 17 October. Was plainly in form that day, has had ample time to recalibrate, and must not be underestimated
- 3. NELSON DE BUSSET** - Last of 5 finishers to NECTAR D'AVIGNERE (9) in Gr.3 Prix Louis Cauchois here last month, and would have better chances at a lower level
- 4. NEW SUCCESS** - Made short work of a 2875m Enghien Class B 9 days ago. NELSON EMGE (7) is the only horse to beat him and Yoann Lebourgeois can be legitimately confident of a competitive performance
- 5. NEVER FORGET** - Sent for a rest after winning a 2100m Class B here on 1 September. Has bags of promise but is unlikely to be pushed hard on his first start back
- 6. NITRO DAIRPET** - 4th in race of reference before coming 2nd in a Class B under these conditions early this month. Alexandre Abrivard in the bike this time but still not a priority
- 7. NELSON EMGE** - Good 2nd in a Class A over course and distance before coming in a fast-finishing 2nd to NECTAR D'AVIGNERE (9) in Gr.3 Prix Louis Cauchois over track and trip on 17 October, and with form maintained should have the upper hand this time
- 8. NOBEL VENESI** - Has hardly put a foot wrong since starting to race left-handed, latterly 3rd to NECTAR D'AVIGNERE (9) in 17 October race of reference. Is not about to cause an upset but can still pick up a first-5 cheque
- 9. NECTAR D'AVIGNERE** - Won 2 of last 3 starts, most recently the Gr.3 Prix Louis Cauchois over course and distance on 17 October. Eric Raffin stays faithful and will not be satisfied with 2nd place. Chance

Summary: A serious colt that just missed out in the Gr.3 Prix Louis Cauchois here last month, NELSON EMGE (7) most certainly has the class to turn the tables on NECTAR D'AVIGNERE (9) who had his measure that day. NET MONEY (1) imposed with ease on his Vincennes bow in late-October and has progress written all over him. Back at Vincennes after comfortably imposing across town, NEW SUCCESS (4) must be considered a decent place chance.

**C3 - PRIX JOSEPH LAFOSSE - 2700m (a1m1/2) - Gr2 - Mounted - EUR €
120,000**

1. EMPIRE AS - In the frame in both monte starts to date, most recently 2nd in a Class C here late last month. Appears to have considerable untapped potential, and runs barefoot, but still cannot be considered a priority

2. KATCHINA FOR CLARA - Honest mare that always gives her best but will need to show marked improvement on recent 5th to KEENGAME (5) in 2175m Gr.2 Prix Xavier de Saint Palais here on 7 November

3. KID BELLAY - Fine campaigner that seldom disappoints in the day's configuration. Has had the benefit of a pair of return runs and is in with a realistic shout of making the frame

4. KATINKA AIMEF - Sent for a break after dominating the Gr.1 Prix de Normandie last June. Has one conditioner in him since and if fully fit can deny KEENGAME (5) the double

5. KEENGAME - Made up for Gr.2 Prix Edmond Henry elimination when courageously winning 2175m Prix Xavier de Saint Palais here a fortnight ago. 2700m not her favourite trip but still has the class to give KATINKA AIMEF (4) a run for her money

6. KELLY DE BANVILLE - Can prove a handful but has bags of ability, latterly 2nd to KEENGAME (5) in 2175m Gr.2 Prix Xavier de Saint Palais here on 7 November, and with application can again finish in the mix

7. KYRIELLE DES VAUX - Gr.1 winner at 4 but has not been as sharp since. Has 2 conditioners in her following a long layoff, and even though shod to preference, still looks an outsider

8. KYT KAT - Showed great tenacity to win the Gr.2 Prix Edmond Henry over course and distance on 10 October. Is a tough nut when barefoot and focused but looks more a place prospect this time around

Summary: Mares appear to have the upper hand here in what looks a particularly interesting duel between brilliant Gr.1 Prix de Normandie winner KATINKA AIMEF (4), who will be barefoot following her Laval harness conditioner, and runner-up KEENGAME (5) who most recently secured the Gr.2 Prix Xavier de Saint Palais. Normandie 3rd, KID BELLAY (3), has a pair of runs in him since the break, will be shod to preference, and Eric Raffin can justifiably expect to finish close. KYT KAT (8) put on quite the show to win the Gr.2 Prix Edmond Henry in early-October and deserves to be taken seriously.

C4 - PRIX DANIEL MIETTE - 2700m (a1m1/2) - Class B - Harness - EUR € 75,000

- 1. IACYNTHE DIDJEAP** - Disappointing 8th in a Class C here late last month. Takes a notable hike in category and chances appear slim
- 2. HELLO PANAME** - Starts for the first time since mid-September. Out of the picture in last 4 Vincennes starts and can be passed over
- 3. HOLD UP DU DIGEON** - Sprang a 33-1 surprise when 2nd in a 3000m GNT Gr.3 at Nantes 2.5 weeks ago. Alexandre Abrivard in the bike this time but a repeat seems unlikely
- 4. HEADSCOTT** - Ran 6th to IN RED (7) in 4 November race of reference over a trip which was far from ideal. Is in his element this time and, if fully fit, will not be far off the mark
- 5. GORDON MIJACK** - Has not been seen out since running 3rd in a monte Class B under these conditions on 12 September. Shoes fitted and no threat
- 6. GIMS DU PLESSIS** - Reassuring 2nd over course and distance on 3 November before being eliminated early over 2850m next time. Is plainly in fine form and can pick up some prizemoney if he gets off on the right foot
- 7. IN RED** - A veritable metronome in the day's configuration, beat a number of these over 2100m here on comeback earlier in the month, and will be reined by JMB this time. Attention
- 8. INDUS VAL** - Quality individual facing first goal of the winter meeting after having made his comeback in Mons 10 days ago. Is proven at this level but takes on some very good horses this time and looks a minor place chance at best
- 9. INDY DARK** - Made up for October run when close 2nd in a Class B under these conditions a fortnight back. Is a tough nut when barefoot over 2700m here and must be considered a contender
- 10. HARISON DU PLESSIS** - Ran 4th to IN RED (7) here on 4 November before coming 5th in a Bordeaux Class C conditioner 10 days ago. Has never failed to fire under these conditions and is not about to start now. First 5
- 11. HURRICANE CARTER** - Fine servant that has been knocking at the door for some time. Is in his category and deserves to be rewarded one of these days. Claim
- 12. GINO VIVA** - Left a good impression when 5th of 10 to IN RED (7) in a 2100m Class B 2.5 weeks ago, however confirmation will not be forthcoming
- 13. ISOFOU DU CHENE** - Put in a superb finish to run 3rd of 10 to IN RED (7) in a 2100m Class B 2.5 weeks ago. Is as versatile as they come and should again figure prominently
- 14. ISTER MAN** - Had been shaping up well in the provinces before coming an unlucky 7th of 10 in 4 November race of reference, and will not be far from the action if afforded a run this time around
- 15. IROISE DE LA NOE** - Classy mare with form at a superior level and boasts an excellent record over 2700m here. Makes just 2nd start back but is plainly in competition-mode and can get her nose in front
- 16. HERADAMES** - Drops back in category after failing to deliver in a 2850m Gr.3 here 9 days ago and is not about to create an upset

SATURDAY, 22/11/25

Summary: A wonderful servant that has taken his game to a new level this year, the reconfigured HURRICANE CARTER (11) has finished 2nd in his last 3 starts and it is only a question of time before he gets back in the winners' enclosure. He will still face opposition from the well-engaged IROISE DE LA NOE (15) who sports a new configuration for her first objective of the winter, and ISOFOU DU CHENE (13) who has finished a place behind Yoann Lebourgeois' horse in 2 of his last 3 starts, and who will be barefoot for the occasion. HEADSCOTT (4) has a pair of runs under his belt following a lengthy layoff and should be fit enough to contest the finish this time. INDY DARK (9) just missed out here 2 weeks ago and will be no pushover.

**C5 - PRIX DE CHAROLLES - 2100m (a1m1/4) - Class E - Harness - EUR €
35,000**

- 1. LA STAR DES ISLES** - Hardy element making first appearance in the capital. Is barefoot following a necessary conditioner but would be preferred going clockwise
- 2. LADY D'ECAJEUL** - Pleasant 4th of 8 in a 2175m Class D here a month back. Has been reconfigured, will be fully fit, and from the 2-spot can give this a good go. Place chance
- 3. LUNA DE MALAC** - Completely out of the equation on comeback here 2.5 weeks ago, and with shoes fitted will have nothing to offer
- 4. LACIENDA FLASH** - Not without merit but has not been seen out since 12 September. Has previously won over the main track but represents a minor place chance at best this time
- 5. LILOU DE GUOZ** - Sent for a rest after securing the hat-trick in early-August. Is in competition-mode this time and will be expected to bring the fight to LAMBADA GIRL (11)
- 6. LUNE LUMALO** - Honest mare that came 5th of 13 in a 2850m Class E here last weekend. Runs barefoot this time and, while not a priority, cannot be entirely ruled out either
- 7. LIBERTY HEROLD** - Has demonstrated quite a liking for 2100m over the main track. Is unlikely to impose this time but will not be far off the mark
- 8. LUCKY STAR JIEL** - Scored for the first time in 20 months when dominating a 2400m Amiens Class E 9 days ago. Is forced to start wide but enjoys a fine entry and Franck Ouvrie will be keen to deliver
- 9. LOZEN DE BANVILLE** - Gave a reassuring account in a claimer over the short course late last month. In this company though has no possible chance
- 10. LUTECE PLANCHETTE** - Has done nothing but improve over recent weeks, latterly running 2nd in a Graignes Class E. Is in a totally different category this time though and is unlikely to spice things up
- 11. LAMBADA GIRL** - Stormed up at Challans before losing her action when full of running over the short course 12 days ago. Has already won 3 times for Eric Raffin who will be determined to set the record straight
- 12. LISA DE PERVENCHE** - Eliminated early over course and distance 2.5 weeks ago, but redeemed herself 8 days later at Bordeaux when 3rd on 15 in a 2550m Class E. Alexandre Abrivard in the bike this time and, despite the draw, still looks competitively well in
- 13. LUDMILLA HAUFOR** - Has looked decidedly ordinary since moving back to Paris and can be confidently ruled out

Summary: LAMBADA GIRL (11) fell foul of her own temperament here recently, when clearly in excellent shape; she goes barefoot again and should have this in the bag provided Eric Raffin manages to keep her focused. Better-placed on the front line following her re-entry run, LILOU DE GUOZ (5) will be shod as she was when victorious across town in August, and looks the main danger. LADY D'ECAJEUL (2) drops down the category-ladder, seldom disappoints at Vincennes, and can make the frame this time. LISA DE PERVENCHE (12) is not ideally-drawn but she returns to Paris 10 days after reassuring in Bordeaux and with application will not be far off the mark.

**C6 - PRIX DE MANCIET - 2700m (a1m1/2) - Class E - Harness - EUR €
41,000**

- 1. KIBORA BUISSONAY** - Unremarkable 6th to KOTKITA GIRL (14) over shorter here earlier this month. Has no particular love for Vincennes and can be passed over
- 2. KAI LA SHA** - Bought out of a recent claimer, makes first start for new handler and with Anthony Barrier in the bike will generate interest
- 3. KUNZITE D'EM** - Below-par in all 3 starts this autumn. Is not the biggest fan of Vincennes and can be ruled out
- 4. KINO DAB** - Produced a pair of decent runs before disappointing over 2150m at Enghien just over a month back. Has previously won under these conditions and while not a priority should not be overlooked either
- 5. KOH PHI PHI ISLAND** - Progressive mare that has had this moment on her agenda for some time. Races barefoot, with Jean-Michel Bazire reining, and can win this if she takes to the new profile
- 6. KATINKA COTON** - Unable to confirm Caen success when last of 11 in an Enghien Class D late last month. Form is not in question though, ran 2nd over track and trip on sole start here, and must be respected
- 7. KATINA DE TOUSSAC** - Opened her Vincennes account on 28 October, at first time of asking. In better company this time but still looks a major player
- 8. KALAMITY DE CHENU** - Imposed at La Capelle in September before being eliminated at Saint-Malo 3 weeks ago. Is shod again and will have nothing to offer
- 9. KASA DJANGA** - Improving sort that ran 4th, at 49-1, in a 2150m Enghien Class E on 18 October. Pleased on Vincennes debut in September but faces a stiffer test this time around
- 10. KADIJA MESLOISE** - Last of 16 in a Class E over course and distance 2 weeks ago. Hind shoes off this time but others still easier to trust
- 11. KACHA DE L'ITON** - Good, consistent mare making first appearance since late-September. Shoes fitted this time though and best to hold off
- 12. KALINKA MOYA** - Went into her summer break on a low note and has picked up this term where she left off. Disregard
- 13. KEA DES RACQUES** - Faces first goal of the winter meeting after a pair of provincial return runs. Matthieu Abrivard at the helm but still not a player
- 14. KOTKITA GIRL** - Made no bones about winning over shorter here on 4 November. Simply excels with Eric Raffin who can be confident of another big run
- 15. KYA D'ERABLE** - Drops to a more reasonable category after flopping in a 2875m Enghien Class D early last month, her first start for new stable. Is well-entered this time and will be expected to show a more competitive side
- 16. KENISA** - Did not enjoy the best of trips in a similar event here 2 weeks ago. Her form is sure and with more luck in running can figure prominently

SATURDAY, 22/11/25

Summary: Given a freshener earlier in the month after having lost her action on her previous start, KOH PHI PHI ISLAND (5) is new to Vincennes but has shown significant talent. Barefoot for the big day, she will take her win-rate to 50 percent if she gets her nose in front. She will still be up against KOTKITA GIRL (14) who made short work of a competitive Class F here 2.5 weeks ago, and KATINA DE TOUSSAC (7) who lifted a Class E with similar ease late last month. Terrifically engaged here, KENISA (16) has the wherewithal to put her recent woes behind her.

C7 - PRIX DE CHENONCEAUX - 2700m (a1m1/2) - Gr3 - Harness - EUR € 80,000

- 1. LEMON TREE** - Has done nothing of note at this level since last Christmas. Is barefoot this time but can still be ruled out
- 2. L'AS DESBOIS** - Group-class colt that impressed more than once here last winter. Returns to racing barefoot after easily imposing at Laval last weekend, and looks game once more. First 5
- 3. LITTLE BROWN** - 4th to KARAMBAR (6) in Gr.3 Prix Pierre Van Troyen but failed to confirm last Sunday and others easier to back
- 4. L'ECRIN D'OR** - Fine colt preparing for his next objective in the other code and can be passed over
- 5. KILLIAM FROMENTRO** - Serious type that won a Gr.3 here during the spring. Returns to the capital after a Laval conditioner and can play a leading role if JMB keeps him focused
- 6. KARAMBAR** - Made it 3 straight successes when comfortably winning the Gr.3 Prix Pierre Van Troyen over track and trip on 24 October. Is clearly at the top of his game and securing this is well within his capability
- 7. ICEBREAKER (DEN)** - Speedy sort that has raced little to date. Has nothing to prove at this level and under these conditions can make his Vincennes debut a winning one
- 8. LEARN TO FLY** - Serious colt that has not put a foot wrong of late. Has form over course and distance at a superior level and his recent Prix Marcel Laurent performance stands him in good stead
- 9. LONDON** - Lost his action in Gr.1 Critérium des 4 Ans before faulting again at Laval. Already counts a Gr.1 to her name, has been reconfigured, and it is only a question of time before she gets back in the game
- 10. LIGHT MY FIRE** - Gr.1 Grand Prix de l'UET 3rd in Solvalla early last month but was disappointing behind L'ECRIN D'OR (4) under the saddle in Gr.2 Prix Ceneri Forcinal recently, and others preferred

Summary: Runner-up in a Solvalla Gr.1 during the summer, ICEBREAKER (DEN) (7) makes his French debut in excellent form, with Eric Raffin reining, and can get straight down to business. That being said, it is hard to ignore the reinvigorated KARAMBAR (6) who secured the hat-trick under similar conditions a month ago. KILLIAM FROMENTRO (5) gets his winter campaign under way in earnest and with JMB in the bike must be regarded a player. Fourth in the Critérium des 4 Ans before confirming in the Prix Marcel Laurent earlier in the month, LEARN TO FLY (8) should again finish close.

SELECTIONS

SATURDAY, 22/11/25

C8 - PRIX DE LA CLAYETTE - 2700m (a1m1/2) - Class E - Mounted - EUR € 49,000

1. INVISIBLE SUN - Capricious but capable Scandinavian type making Vincennes, and monte, debut on first outing since the summer. Guillaume Martin in the irons and is worth keeping an eye on

2. LEROY BOKO - Has yet to make any impact in 2 monte starts. Is new to the venue and is unlikely to make much of an impact

3. IBIZA DE CONNEE - Imposed at Enghien last month before running 5th in a Class E over the inner track a fortnight ago. Is reunited with Clément Frecelle though and could prove something of a spoiler

4. IONA GENDREENNE - Returns to the code after being conditioned under harness at Nantes recently but at this level will have too much to do

5. IMHOTEP BUROIS - Unseen under the saddle in over 2 years. Is barefoot with Eric Raffin aboard but still not an obvious choice

6. IMAGE D'HERFRAIE - Made no impact on recent return to the code here. Alexandre Abrivard in the saddle this time but others still easier to trust

7. IKITORI - Courageous 3rd over 2850m here on 10 November. Drops marginally in category and, confirmed in the day's formula, looks the one to beat

8. ROBTHEBANK - Capable nordic import making first appearance for new trainer. Is untried in the discipline but the choice of jockey speaks volumes. Chance

9. ILLICO JULRY - Has excelled in the code in the southeast despite the occasional fault. Shoes off for Vincennes debut and does not make the long trip to Paris just to return home empty-handed

10. IBILI D'OCCAGNES - Showed improvement when 5th behind IKITORI (7) here recently but still has more to find

11. IQUEM NARCY - Returns to a more suitable level after running respectable 5th in a 2175m Class D here a month ago. Goes well for Mathis Champenois who will be eyeing a place in the frame this time

12. ILIEN DE VRIE - Beaten only by a very good horse in a Saint-Omer Class F on 12 October. Is not easy to knock when barefoot and has solid references under these conditions. Place prospect

13. INFLUENCE JULRY - Has been in fine form for most of the year, and made a pleasant return to the code in the summer. Is new to Vincennes but is barefoot for the occasion and in current condition will have a claim on a first-5 cheque

Summary: Clearly back in business following a pair of conditioners, IKITORI (7) returns to the main track after having put on a good show over the short course earlier in the month and, reconfigured for the occasion, can impose. Mathieu Mottier will be aboard ROBTHEBANK (8) for his monte debut and could yet prove the fly in Andréa Roussel's ointment. Not once out of the first 2 when focused, ILLICO JULRY (9) is barefoot and very easy to like. Winner of his last 2 barefoot starts, ILIEN DE VRIE (12) will not be sent out unsupported.

C9 - PRIX D'ANGLES - 2700m (a1m1/2) - Class A - Harness - EUR € 62,000

- 1. MOUSKIE DE GUEZ** - Won a Class D here 3 weeks ago before coming 3rd in better company 8 days ago. Secured both victories with JMB in the bike and will again be afforded every chance
- 2. MOANA MESLOISE** - Winner of all 3 races she has finished so far. Would have contested the finish had she not been eliminated in race of reference, and is in with a realistic shout of setting the record straight
- 3. MACANA MONNERIE** - Serious filly that caught the eye after losing her action in a Class B over 2175m here a fortnight back. Looks better than most others here and with application can return to winning ways
- 4. MY QUALITA PIYA** - Spirited but talented filly that was eliminated early in 8 November race of reference. Left a very good impression thereafter and will be no easy touch if Anthony Barrier keeps her focused
- 5. MAIA JIEL** - Eliminated in both 2700m starts here but ran reassuring 3rd to MABELLISSIME (8) in a 2175m Class B a fortnight ago. On this occasion though is unlikely to shake things up
- 6. MIDNIGHT EXPRESS** - Looked very ordinary behind MARION D'ATOUT (10) here on 17 October. Is not without merit but needs to get her house in order
- 7. MIRA DE FROULAY** - Imposed on comeback but out of the picture in next 2, and will need to show marked improvement on recent Laval performance
- 8. MABELLISSIME** - Comfortable winner of a 2175m Class B here 2 weeks ago, on Vincennes bow. Was somewhat fortunate that day but is still a quality filly in her own right and David Thomain will be eager to double up
- 9. MARGAUX DES ARRIS** - Showed some improvement when 5th of 7 in a Gr.3 under these conditions on 6 November, but not enough to be considered a player
- 10. MARION D'ATOUT** - Ran 2nd ahead of a number of these in a Class A under these conditions on 17 October, before losing her action in a Gr.2 last Sunday. Is racing at a more reasonable level this time and should be good enough to finish in the mix

Summary: Eliminated 2 weeks ago, for the first time in her short career, MACANA MONNERIE (3) should not be too hastily-judged. She subsequently showed her form and can more than make amends if she stays in stride. MOANA MESLOISE (2) was also eliminated that day when plainly competitive, and represents the main danger. MY QUALITA PIYA (4) suffered the same fate but will have progressed for the run at least, and can play a prominent role if she keeps her action together. MABELLISSIME (8) was not inconvenienced by the woes of others that day and a repeat is not out of the question.
