RACE 4, V64-1

Auto 2140

1 Sandsjöns Enzo has not won for a while but faces very nice conditions this evening. He can open fast and has two out of three wins in the front. Could lead this throughout. **3 Fabio de Pervenche** has one run under his belt for the new trainer and should be improved a lot by that start. **4 Something Fishy** could not reach the front directly in the last run but found that position after 500 meter. Scored a close win and showed the right attitude. Normally in the mix here.

4 **Kicki Lagö** has two straight wins, both under the saddle. Can open fast and will be hard to beat again in the front. Early choice regardless the trip. Our winner. 5 **No Limit la Ma** has scored three wins and galloped twice in the last five starts. He is an early contender if he avoids a mistake. 2 **Barnacle** has met tougher horses and with this ideal number he should be considered early. 7 **Gigant Coger** can do it tough and deserves a victory.

RACE 6, V64-3

Auto 2140

4 **Happy Few** galloped directly in the last run. Galloped with 250 meter to go before that and would have been in the mix without that incident. Is gifted and has a good chance to win. 5 **Amore Passo V.W.** put in a strong effort in the last run with a new bridle. He should be improved by that start and is driven by a professional here. 9 **Riley S.W.** is worth a warning. Is in great shape and possible here. Needs some racing luck with this back row draw though. 10 **Unacerveza Broline** has good speed and should be considered early too.

RACE 7, V64-4

Auto 1640

5 **Eight Hour** had stomach problems in two starts in September and in the beginning of October. Is in great shape now though and our pick in this race. 8 **Calamintha** has earlier shown that she can open fast which is necessary with this poor number. Is driven by Thomas Uhrberg now. Is normally an early choice here. 3 **Eye in theSky D.K.** is a quick starter and should reach a nice position directly. Will be in the mix in that case. 11 **Emma Häggenäs** did alright a bit behind the winner for her new trainer in the last race.

RACE 8, V64-5

Auto 1640

5 **Romero** has galloped in two out of three starts after a break. He would have won in his comeback without the second mistake and has good capacity for this class. 6 **Mamba** finished to a nice victory a short while ago and is in great shape. Should be considered early here. 1 **General Lee** is a guest whose chances are not easy to predict. He is gifted though and has got a nice number. 10 **Redneck Woodland** was beaten in the lead in the last run. Different number now. Early choice with the right trip.

RACE 9, V64-6

Auto 2640

3 Zoccoloduro O.P. has put in several strong efforts for Sofia Aronsson. Has not convinced lately but is gifted and should have a good chance here. **11 Ornello** has shown great form lately but this number is tricky and he needs lots of racing luck. **2 Express A.P.** came in first in the last race but he obstructed Beautiful Kiss at the end and got relegated to a second spot. **9 I Come in Peace** finished well in the last run and is in good shape.
