15 Fönix Vang is our pick in this open race. Was second and had energy left on October 24 and finished to an easy win after that. 2 Chef Axe is not reliable but has very good strength. Won comfortably in the last run. Has to be considered. 3 Prime M.S. wins often and comes from a good second spot despite an early mistake, also over the long distance. 14 Bold Knick was sixth in the last run and did alright. He can do even better and is an early contender in this company.
