2 Staro Onyourmarks finished 09.0/7000 when she won on Gävle two starts back. Nice number but prefers to attack from the back. Our pick. 4 Krakas was poorly drawn in the last V75-race but finished alright a bit behind the winner and seems still in good form. She can open fast. 6 Cab Frontline comes from a shared victory. Is in good winter shape and should be considered here too. 3 Your Dreamlove is consistent and good but does not win very often. Good place chance.

10 B.W.Harry is a good three-year-old who scored three wins in a row earlier this season. Showed good form from outside the leader in the last run. 2 Tekno Filur galloped directly in the last start. Tricky number here too but if he avoids a mistake he could find the lead. 9 Konjaks Krongla got a tough journey two starts back and scored a strong fourth spot. Has to be followed this time with Magnus A Djuse. 7 Hulte Sixten does not compete very often but has good speed. Outsider now.

9 Vice Versa Diamant has scored three convincing wins in a row and likes the long distance. Can do it tough and we think he is the best again here. 6 M.T.Ravishing finished 11.5/800 meter to victory two starts back. Could reach the front here and lead this for a long while. 7 Secondary Stall is consistent and good. Finished strongly to sixth in the V75 two starts back a bit behind the winner. 1 Miss Lovelace was our warning in the last run and we were right. Is strong and should not be overlooked.

3 Kullungen has won five out of seven starts. Debut over the long distance now but she can open fast and could find the lead. Our pick. 12 Ask Viktor has galloped a lot lately but the Norwegian four-year-old can do better than that. If he avoids a mistake he will fight for victory. 8 Tim B. resumes from a spell. He showed good speed as a three-year-old last year and has to be considered early here. 13 Alfred R.G. is strong so this distance is the right one. Is in good form and without a mistake he will defeat many opponents.

3 Quantity of Time has scored a couple of nice victories lately. Can do it tough and is well drawn here. Our pick. 1 Mitzy Gold has been improved for Oskar Kylin Blom and won easily in the lead two starts back. Will go for the front again here. 9 Rocket Boy was on the way to victory in the last run but did not trot well and galloped at the end. Has good skills. 8 Beawinner is poorly drawn. Outsider but needs some racing luck.

12 Ares Face came back very strongly in the last run and has earlier shown that he stands three laps. He is our winner here. 7 Yavapai Point is not reliable and has galloped lately. When he avoids a mistake he has good strength for this class. 10 Don't Disturb got locked in from behind the leader two starts back and had energy left at the end. He should not be overlooked behind the favorite. 2 Atom Bet is in good form and could be an outsider from the first circle.
