6 Holy Moses Mearas won twice over the long distance last year and won from outside the leader over the long distance in June this year. Good chance without a mistake. 10 Gogobet Sisu is good for this class and has won almost every fourth start. He makes his comeback for a new trainer here and if he lives up to his capacity he should be considered. 2 Soleil d'Inverne scored his four wins last year and this year in Boden and with the right journey he should not be overlooked. 11 M.T.Oberon is good for this class but the form is a question mark.

3 Helan was very good when he won in the lead in Skellefteå in September. Scored a comfortable victory from the back in October. He can open fast and should have a nice chance to win this. 6 Staro Playmate has been in the mix four times in a row and in the last run she was second after a good finish and just closely defeated. 1 Beast has scored all three wins during the winter and with this nice number he will be in the mix. 4 Easy Silence was very good when he won in Boden last year and should not be overlooked.

4 Because the Night won despite a very fast opening over the short distance in January. He found the lead with one lap to go when he won comfortably over the middle distance last Midsummer. Our pick. 1 Chased scored a couple of good wins in October and November and comes from a good third spot. He can do it tough and should be considered. 9 Laurentius Valiant was pressed in the lead in the last run and showed fine form after a couple of good results in November. 11 A Kind of Magic was sixth against good horses in the last V75-race.
