3 Luna Barosso has put in several good efforts during the autumn without winning. Better number behind the gate now compared to earlier occasions. Good chance. 10 Ellen Ripley won in the lead two starts back. Different number now but with the right journey she should be considered. 6 Hector Godiva won after a nice journey in Gävle but had lots of energy left at the end. Early contender here too. 9 Sky Diving has put in a couple of good efforts for the new trainer and got locked in with energy left in the last run.

9 Cigars Eagle Owl has got a tricky number but if she finds room in time we think she can win this. Is in good shape and she met quite tough opponents in the last run. Top chance. 7 Loulou Web has not competed since March and the form is a question mark. Was a non-starter a short while ago too. Has good capacity. 12 Jes Angel finished well when finding room after an inside journey in the last run. Won together with Ulf Ohlsson two starts back. 15 Across the World makes his debut for a new trainer. Is better than the latest results show.

8 Can Can Broline has good capacity for this class but is not reliable yet. Good chance without a mistake despite this poor number eight. 11 Kendall Sisu was a non-starter on December 7th and the form is a question mark. Showed 11/800 from far back in the last run and has good speed. 4 Eva Aloha scored three nice wins in a row last autumn. Nice number behind the gate again and she should be considered early. 12 Lady Kei'em needed the last run after a long pause. Outsider here in case of quick pace.
