11 No Talking You galloped early in the last race but had taken two wins in a row before that. The Untersteiner stable is in top form. Good chance despite this tricky lane. **10 Höwings Zeus** has earned the most money this year and taken four wins in eleven starts. He got locked in with energy left as second in the last race and should be considered early. **5 Warrior's Tale** has failed this season but did well in the last race after a long layoff. Run under his belt now and well drawn. Watch out! **12 Custom Chef** was fifth last time in a V85 race won by Steady Express. Much easier opponents this time. Should not be overlooked despite this number.

2 Morpheus F.R. is a French 3-year-old who has started really well for Christoffer Eriksson with two wins and two second places so far. Will probably get an offensive journey and could take the lead. Good chance. **1 Montana** has mostly raced in Germany but was quite good as fifth after a short gallop in the last race. Showed in June that he can open fast. Will probably get a good journey by Rene Kjaer. **5 Catch Lane** is a bit hard to predict after a longer pause but the Untersteiner stable is in great shape. Early contender. **6 Frenchy Boy** has one win in twelve starts but was second in the last race for Adrian Kolgjini and is also good for this company.

6 No Time To Steel is our pick. Has won four of ten starts and should be on the way up with two runs under his belt. Could possibly take the lead here. The Untersteiner stable is in top form. **5 Fetisov** is a very early challenger. Has won four of seven races this year and is coming off a win. Has been a scratch after that though. **2 Who's Funky** gave up completely in the last V85 race but has otherwise done well this year with four wins in nine starts. Finally has a good number now. **9 Loric Runancy** is a German horse who scored a good win last time at today's track. A bit tricky number but early choice. Driven by Rene Kjaer this time.

9 Carlos Diamant has won three of the last four races and was completely outstanding from the lead in the last race. Different draw this time but our winner nonetheless. **11 Global Futurity** has earned the most money this year and comes from several good efforts without winning. Deserves a victory and belongs to a stable in top form. **10 Don Quijote Face** is not reliable but was second in the last race despite a gallop. If he avoids a mistake he will be in the fight for victory here. **12 Stamsite** is probably one of the better horse in this race. He won a V75 race in February and was second in the final. He is coming back after a very long layoff and is a bit hard to predict. Tough lane.
