8 HM Hippokrene has only one win in 23 starts this year but she has faced much tougher horses than these and is our pick despite this difficult starting position. **6 Arya Star** was second ahead of Burn two starts back and with a similar performance she is in the fight for victory here. **7 Happy Carpenter** returns after a long layoff. He is not bad at all and possible straight away. **5 Burn** was third in the last race just behind Arya Star. Can open fast and could be dangerous from the lead.

1 Bölla U.N. has three wins this year. Nice draw but it is far from certain that he can hold the lead here. Should get a nice trip anyway. Our pick. **9 B.B. Klæbo** won three of eight races last year but is without a victory this year. Was third last time after a long layoff and is certainly improved now.
