**3 Id Diamant** has two runs under his belt after a layoff and her form should be steadily on the way up. The filly is doing really well and has the right attitude. Is versatile and competes excellently with shoes. **5 Guided Tour** has made quite a bit of money, but is still good for this class. Maybe not as brilliant last time in the V85, but long distance then. **6 Dionnemakesmoni** did alright in the last race a bit behind the winner and has had difficulty finding top form this year. **4 Maggie May Malt** is a quick starter.

**9 Västerbo Hawkeye** sprinted fast in the debut and held strongly from the first over the next time. Both times the horse finished 12.5/800 meter which is good for this class. Last time he finished fast again. Possible banker. **7 Naomi B.R.** has already won two races. Tougher task now. **5 Solkattens Ture** was clearly improved in the last race but needs to be even better to be in the mix here. **3 Miss Superstar** scored a nice second spot two starts back.

**3 Phenomenne** is our pick. Hasn't won in twelve attempts, but the horse has met better horses than these. Is now driven by Magnus A Djuse, which is highly interesting. Has to be considered. **5 Crazy Good I.D.** has done well lately and shows that he competes well with shoes. Good enough to be in the mix. **2 Ajlexes Magicwoman** did well as second in the last race but met a superior horse. Early contender. **13 Elton Vendil** looked nice before the last race. Is quite good for this class.

**2 Global Commission** was extremely good in the debut for Sybille Tinter. Above all, the horse owns great strength. Top chance from a perfect starting position. **1 Global Easy Rider** galloped in the first turn last time, but had three wins in a row before that start. Should be in good form. One of two horses that stand out. **7 Viva La Vida Face** does not always trot perfectly but has good capacity. **9 Gasparito** might prefer to race under the saddle, but he has an interesting lane for a defensive trip and is driven by Magnus A Djuse.

**11 Lillprinsen** has shown the best capacity so far. Is not completely reliable, but last time he showed good skills when he won in a 1.28-time. More experienced and tougher than the main rival. Our pick. **12 Lex Ingtun** is probably the most interesting horse in this race, but has only made eight starts, made quick money and is poorly drawn in the race. Still an early choice here. **7 Ragnar W.** has been doing really well lately. One of three horses that stand out. **8 Föynland Fröya** has quite good speed.

**5 Wellerman** has impressed so far. A real winner who is very good for this low class. Good chance to lead this throughout. **12 Mr Reddington** is the main challenger to the big favorite. Of course, extremely hard to predict as he has not raced for a year, but the capacity is really good. **3 Scorpion Tile** is capable and has a run under his belt after a layoff. **11 Husar Brick** has a poor starting position and needs some racing luck.
