Volt 2140

6 Global Champion found the lead in the debut but got defeated at the end by a couple of horses who had got nice defensive journeys. Should be improved and could take revenge directly. 10 Jade du Ril makes his debut here for trainer Riordan. The chances are not easy to predict but should be considered. 2 Camilla Ral kept up the pace alright in the last run after a journey from third/fourth on the inside. Tricky number now but possible if she handles the start. 11 Gorgeous One won comfortably in the debut in home country Denmark from third/second on the outside.

12 Jeans'n Passion is our pick in this poor P21-race. She did not impress in the debut for new trainer Lövgren but meets much easier opponents this time. 10 Padron Kloster has not convinced for a while and has to compete in a race like this now. Is good for this class though and has to be considered. 9 Aroseforyou has scored six wins in 35 start and been at least third on seven occasions. She is a lot better than the latest results show. Has to be followed too.
