9 Zenato faces nice conditions money-wise. Is tough and in good shape. Was second behind Kaxig In in the last race and should have a good chance. **5 Cameron Hills** is coming off a win in a V75 final and is in top form. He prefers to run from the lead considerably but might not be allowed to take over it here. **6 Explode** has not been at his best in the last two races but owns great capacity. **1 Lupin Mearas** is coming off a win and has a run under his belt.

13 Fjord Odine has shown very nice speed for this class. Has got a break but faces quite easy opponents here. Good chance to pass all opponents. **3 Hasli Tore** got defeated from the lead as a favorite in the last race. Better with that run under his belt and our leader here. **7 Sjöli Dotten** did well as fourth last time and the stable is pleased with the horse. **8 Re Velj** has started well and is developing strongly but faces a 20 meter handicap this time.

3 Eternal Queen didn't convince in the last race from behind the leader but still finished decently. The wins have been taken from the front and with a gifted apprentice she is favorite to find the lead. Our pick from there. **4 Don't Catch Me** is better than the latest results show and has been heavily backed lately. Quick starter and American bike now. **1 Nowhere Fast** is the best horse in this field but the form is a question mark and this number is a disadvantage, so some racing luck is needed. **9 Highlight D** showed good form in the last race and likes tight starts.

1 Eirik Af Sola faces good conditions and could find the lead here. Tight starts should improve his form and even if this long distance is new, he should have a good chance here. **7 Elite Stjernen** has not started for a while but is speedy and Carl Johan Jepson this time is an advantage. **2 Sjöli Frökna** is good for this class and better than the latest results show, but not reliable. **6 B.A.S. Philip** has shown good development but has had a break.

3 Loveisholms Crown has shown great development lately and was a nose away from a V75 win in the last race. Quick starter and likes the long distance. Run under the belt and on the way up. Good chance! **6 Ever Loving** is quite good but he was not at his best in the last race. Might need the race and with a lane outside the favorite he could get a tough journey. **9 Hyannis Port** is favored by the distance and has a suitable lane for a defensive trip but does not win too often. **4 Vulcan Laylock** was clearly good in his last ridden debut and is back in good form.

2 River Tooma owns high capacity for this class and will be looking for quick revenge here after galloping on the way to a win last time. He is not a very fast starter but is well drawn and can do it tough. **4 Pearl Silvio** comes from a good second spot and has a run under his belt. Quick starter and can lead this all the way. **6 Id Diamant** comes from victory and is a quick starter. With the right journey she has good speed. **8 Running Road** cannot open fast and needs high pace and would prefer tough conditions.
