4 Nordsjö Prinsen reached the front in the last race and could score a close victory. Tough and strong - and the main challenger to our pick. **1 Snyggen** galloped on the way to a good result in the last race. Owns good speed, but doesn't always trot well. **6 Andarnas Patron** is a good horse for this class, but has not started for over a year. Hard to predict.

1 Superior Bro was not at his best last time but had shown fine form before that. Quick starter and from the front he can lead this throughout in this wide open race. **7 Easter Egg** has two runs under his belt after a long break and is starting to approach top form. Normally good enough to be in the mix in this company. **5 Kaj Di Quattro** is coming back after a long layoff but should not be discounted. **6 Cordouan** galloped directly in the first race for his new trainer. Has good skills and should be considered if he avoids a mistake.

5 V.Viking found the lead after a bit in the last race and was able to win in a nice way. Mats E Djuse again and one of two horses who can win this race. **6 Eld Prinsen** is a winning machine who has won 16 out of 30 races. He is 4-0 head-to-head matches with our pick and fights for victory. **1 The Teknologen** doesn't always trots well, but if he avoids a mistake, he'll be fighting for a podium place. **4 Per Jo** has been good lately and could have won two starts back. However, he will face tougher opposition here.

8 Good Wine has been locked in lately and is in fine form. She will get a more offensive journey this time and should have a good chance to win. **1 Freya Karma** has done well towards the end. The filly should have a good chance of reaching the front and from the lead she is the horse to beat. **2 Wilde Bill** is consistent and good most of the time. Should not be discounted with the right defensive journey. **6 Smashing You** gave up from the lead in the last race but can do better than that. Should not be overlooked.

11 Lundåsens Linus followed well in the last race, finishing second in his comeback. The five-year-old is certainly better now and should have a good chance of passing the whole field. **4 Genas Pilot** is a quick starter and could find an early lead in this race. Will challenge for the victory. **7 Färsta Flamma** uses to keep up the pace well but is still without a win after 13 attempts. **13 Lundåsens Saga** did not convince in the last race after almost three months. Certainly better with that run under his belt.

7 Domino Time Trot finally won in the last race after several good performances before that. An appropriate task here and top chance. **1 Madewithlove** is in better form than the results suggest. However this number could be tricky. In the fight with the right journey. **8 Dalens Elvis** is fast when he can save his speed. With the right trip from behind until the home stretch he will challenge for the top places. **2 Pagadis Pride** won closely after a perfect trip two starts back and will find it hard to beat these opponents.
