1 Ottens Hero has started this four year old season really well and scored two great wins. He is very good for this low class and has top chance again. 6 Jaguar C.Boko had to open fast in the last run and did alright from behind the leader. Is good enough to be in the mix. 8 Golden Road got a nice defensive trip from behind the leader in the last run. Has one race under his belt after a long break and should be improved. Interesting outsider. 9 Jumanji Love met tough horses as a three year old and did well. Possible directly in this seasonal debut if the favorite would fail.

3 Versace Face won as a three year old but was still inexperienced. He will be interesting to follow this season and started really well with victory in the lead in the seasonal debut without being empty. Top chance. 1 Raj's Messiah is well drawn. Gave up from outside the leader in the last run and should still be in good form. 2 Danois Simoni was second and improved over this distance. Owns good strength and likes this stayer distance. 4 Global Attention has to defend his points from the race five starts back. Outsider.

2 Kinky Boots has ten wins in 18 starts and scored two nice victories in the comeback this winter. Galloped in the last run though. 6 G.R.J.'s Wolverine could not find the lead with this number in the last run and got a trip outside of the leader. Came in third and showed good form. 7 Kaiser Southwind finished well to a fourth spot in the last V75 race. Starts directly behind the gate now and interesting task. 5 Prince Knight will be interesting to follow for the new trainer. Is good for this class.

11 Bold Knick has won two out of five starts and really shown the right attitude after tough journeys. Should handle this back row draw and has a good chance to finish to victory. 10 Hurricane is fast and could get a nice start with this number. Is in good shape and reliable. Could get a trip in the front. 8 No Tender Spot was good against easier opponents this summer but has shown good skills for this class this winter too. Won in the lead two starts back. 5 Love Your Choice lived up to what he had shown in the training on Romme. Could be on the way up.

5 Fleet Admiral has ten wins in 28 starts and is better than the latest results show. The horse looks nice but has not been successful so far this year. Our pick. 10 Zinco Jet will be matched against tougher opponents but the form is a question mark in this seasonal debut. Really good for this class. 6 Thengill won a couple of races this spring. New trainer and will be driven by Jepson directly. Interesting. 4 Marrakesh started his career with a couple of convincing wins but has not impressed lately. Has one run under his belt now.

4 Västerbo Vixen won in the lead two starts back and prefers to run in front. Had a punctured sulky in the last run. Nice number and this distance is the right one. 3 **Fighter Lady** scored a nice third spot in the last Swedish debut. Is better drawn now and should be considered. Is driven by Rikard N Skoglund again. 10 **My Golden Eye** is good when he shows the right attitude. Is on the way up. New driver. 9 **Power Brodda** finished really well in the last race after an inside run. Could be improved by that race after a pause.
