RANK

7 Country Home is used to tougher opposition and has also proven that she can do it tough. Last time for example, she was brave from outside the leader. She is working really well on the ice before this race and is our pick. **6 Imperatore Doc** is not that bad and last time he was parked on the outside of the leader after half a lap and then crossed everything. **3 Donna As** won comfortably last time and is good for this class. **4 Inferno Sisu** finished fast last time from the back of the leader and was just closely defeated.

Volt 2140

RANK

12 Mellem Frost has earlier competed well in Sweden against tough horses and the last performance was really good after a tough duel in top time on the ice track, and they were well ahead of **6 Sjövoll Julius**. He is tough and strong and is our pick. **10 Fyrkrafts** won in the V75 on Christmas Day and has continued to do well after that. Open bridle again now and better distance. **4 Nygaards Solan** has beaten Fyrkrafts in the last races and can do it again from a good starting lane.

RANK

4 Humble Stance has top chance. He was heavily backed in the V75 last Saturday against It's Peppertime and had also finished close to him without a gallop 100 meter from the finish. Back on the ice track now and easier opponents. **10 Leave Your Sox On** is good and was actually second in the Golden Division second last but has been injured since then and not competed for a long time. Debut on ice here. **2 Debonair Mary** and **1 Because The Night** are both trained by Roger Nilsson and are good for this class. They are working well and should get nice journeys.
