RANK

1 Love Express W.F. has done well in tougher companies lately. Last time she finished second despite lane eight behind the gate, now the conditions are completely different. Opens fast. **8 Power Of Sand** never had a real chance in the last race. Different type of opposition now and this lane is not a big handicap thanks to the small field. **2 Goddess Nike** is possible too without a mistake. **6 Chloe Haythrow** is consistent but doesn't win very often.

3 Zidane C.D. is coming more and more. Has good capacity for this class, but he is not reliable. If he avoids a mistake he will fight for victory. **1 Emon Face** has not started for a long time. Has shown good speed, but is still inexperienced. Is perhaps the one who has shown the highest capacity, but there are a lot of question marks. **7 All American Sox** was not at his best last time and needs to be improved to be in the mix here. **4 Celebration Lane** has galloped in three consecutive starts which is worrying. Has shown quite good speed.

7 Fast Food never really had a real chance last time. Much better in the race before and faces quite easy opponents this time. **6 Back To Black** is not that bad even though he hasn't won many races in his career. He has to attack from behind now. Should be considered. **5 Mirchi Star** would have been in the mix without a gallop over the home stretch last time and can handle these horses. **4 Edwin** did not convince in the last race but got a tough journey on the outside of the leader.

3 Luca Barosso is a really strong and tough horse that is matched in good company. Makes his debut for Maria Törnqvist. Is not in top form yet, but is good enough to fight for victory directly. **9 Staro Peanut** has made two starts after a very long layoff. Is a good horse for this company. **2 Bases Loaded** had done alright. Scored a good second place last time after a tough trip. **1 America Dream** is gifted and does well most of the time. Will find it hard to hold the lead here.

8 Jason Express put in a really strong effort in the last race and could win from outside the leader. Should be even improved by that run under his belt. **5 Global Empress** did well from the pocket in the last race. Quick starter and could take the lead here and then give it away to our pick. **7 Nencini** has put in many good performances lately but has been scratch before this race. **1 Ready For Party** is guaranteed a nice inside trip.

5 Danville won from the lead in the last race and showed that he had improved significantly by one run under his belt. He is very good for this class and should have a good chance of reaching the front here too. Hard to beat. **9 Princess Beluga** is not entirely reliable, but owns quite good capacity. Needs some racing luck from this starting position. **2 Incitanus Sotto** has a run under his belt after the layoff. Opens fast. Could reach the position behind our pick. **7 Autumn Shine L.A.** looked really nice in the last race but got locked in. Quick starter.
