2 Hurricane River showed good form in the beginning of this year. He galloped on the home stretch in the last race and was not empty then. Would probably have shown 1.11 without that mistake. 7 Zizou scored four good wins last year and the six year old is definitely good enough to be in the mix. 4 Vien Ici was successful in the V75 together with Ulf Ohlsson last year. Same driver again. 1 Ibelieveinamerica finished well in the last Halmstad race.

4 Gao K. has run four races after a longer break. Finished well to second two starts back and won the last race after a strong performance. Our winner. 7 Firecrest was at least fourth without a mistake last year and won every third race. She should be in the mix again if she stands this new distance. 1 Brad Canyon has been second together with Carl Johan Jepson in the last two starts and they will fight for victory again here with this nice number. 5 Lucy Tilia is not bad and an outsider without a mistake.

6 Being Jolly has scored all four wins in the lead. She disappeared in the final turn in the last race and won very easily. Good chance if she reaches the front. 1 Stella Nova Race scored a good victory in the lead in May last year. First start for a new trainer here and nice number. Interesting directly together with Ulf Ohlsson. 3 Mästarnas Mästare has been at least second without a mistake this year and is an early choice with this number. 2 Lucky Wind scored a good second spot for the new trainer in the last race.

4 Van Gils has not won over the short distance so far but he has two second spots. Won over the middle distance after a nice effort in the last race and is our pick here. 1 The Special Man F. has good speed for this short distance and with this nice number he is an early contender. 11 Kitsune ran two races over the short distance last year and one this season. He has found late openings in the last two sprint races. With the right journey he should not be overlooked.
