8 Monark Amok is a ten year old in great winter shape. Tricky number but faces quite easy opponents here. Possible with some racing luck. 1 P.S.Felix avoided a mistake in the last qualifier after many errors. If he does not gallop for Ulf Ohlsson he is fast enough to be in the mix here. 2 Geronimo Am was not at his best in the last race on Åby. Showed good speed as a four year old and he could cause an upset here. 4 Caipirinha P.C. is on the way up. Outsider if he handles this number.

7 Charles Wain took over the lead after 450 meter two starts back and won comfortably. Could find the lead again with this number. Our pick. 6 Miss Dee got locked in with energy left in the last race. Early choice. 1 Nyxian scored two nice victories earlier this season. Is not reliable but an early contender without a mistake. 5 Viento has got a tricky number but Jepson is a top driver in the circular start. 3 Asterix S.H. if often heavily backed. Resumes from a short break now and is an outsider here.

3 Hera Sisu is a quick starter and was brave in the lead in the last race. This distance is the right one and if she will be allowed to dictate the pace she is our winner here. 6 Stiernhööks Siri is a nice horse. Uses to fight well and is in good shape. Early contender. 10 Västerbo Vixen did well from outside the leader in the last race and with some racing luck the horse will pass many opponents here. 1 Gipsy de Chamant will find it hard to find the lead here. Possible in case of fast pace and an opening in time.

7 Mons scored a good win in in the lead in the second start for Daniel Reden in the last race. Should be on the way up and has a good chance again. 2 Järvsö Olov has one run under his belt now. Scored a strong second spot and is an early challenger here. 6 Lysjö Kasper showed good form directly in the seasonal debut. Got a tough final 700 meter then and was really brave. Should not be overlooked but needs some racing luck. 1 Rive Sur set a new record in the last race and we think the horse can do even better. Should not be overlooked behind the favorite.

7 Ready Doc seemed to have energy left when he galloped in the final turn in the last race. Uses to meet tough opponents and has a good chance if he avoids a mistake now. 1 Galileo Journey won six out of ten races last year. Is good for this class but was not at his best in the last race. 2 Xanthis Daquiri has put in a couple of good efforts a bit behind the winner lately and is in fine form. Should be considered but needs some racing luck. 6 Gordon Mearas never found an opening in the last race and had energy left. Outsider now.

3 Up to Me won two starts back with this number three. Likes the short distance and did alright in the last V75 race despite a tricky number. 10 Dark Roadster was the favorite in the last V75 race and finished in a new record. Put in a good effort and is an early contender here but needs some racing luck. 4 Zinco Jet does not always trot well but when he is at his best he is really good for this class. 11 Golden News makes his seasonal debut here. Competed a lot under the saddle at the end of last year but is a good sulky horse too.
