Volt 2300

**RANK**

**3 Kikoman** makes an interesting debut for trainer Tor Arne Eggen. This well-bred three-year-old looked nice in the qualifier and is our winner straight away. **8 Jesse Lungard** won an easy race at Biri last time and has shown quite good speed in the past and should be counted in an open race. **9 King Of Speed ME** returns after a long break and may need this race. Has shown decent speed in his four starts so far. **1 Winning Cocktail** now makes his competitive debut. Should be followed directly from a good draw.

**RANK**

**1 Papillon EV** comes with three straight wins and is in good form for the day. He now has two runs under his belt after a short break and his form is on the way up. Early contender in this quite open race. **5 Yesyesyes** did well from the outside of the leader last time and showed good fighting spirit. Early challenger behind our pick. **4 Dekanen K.** showed good form last time after a nice sprint in the final half lap. **2 Gaston Design** sprinted alright last time and will probably get a nice defensive run here.

**RANK**

**10 Creek's Nu Love** was last out in a V75 race at Bjerke where she bravely followed from the outside of the leader but had to give up the last bit. Easier now and top chance to win. **7 NY Moet** returns after a short break. Probably not in top form yet but is possible if the big favorite would fail. **8 Jazmine BR** looked nice but got locked in last time and is certainly improved by that run. **9 Lexie BR** is often in the mix and should be considered as well behind the favorite.

**RANK**

**9 Nord Æge** made his seasonal debut last time and decided easily after a nice finish to the end. He is probably even better with that run under his belt and has a good chance to win here. **11 Lauvås Farsin** wins often and had got a short pause before the last time. Had five straight wins before that and should be counted early in this company. **4 Kolbu Typen** can do better than last time and is possible if the favorites have a bad day. **6 Lustra Viljar** did well from behind the leader last time.

Volt 2300

**RANK**

**5 Hauk Viktor** won directly in the seasonal debut and is probably even better now. With the right journey, he is good enough to pass the entire field. **6 Skeie Max** returned after a longer break in the last run. With that run under his belt, we expect an even better performance here. **1 BB Pave Faks** shows good speed when he avoids a mistake. He gallops a lot, but if he avoids an error, he has enough speed to win this. **9 Tverdals Trippel** is in good form for the day and should not be overlooked with the right trip.

**RANK**

**1 Hez Furious** is an early contender here and he can open fast. Last time he galloped in the first turn, but the time before he was brave from the front. Will lead this for a long time and gets the tip. **12 Googooman** made his seasonal debut last time and won directly after a tough final lap. Is certainly even better now and he should be counted early. **6 The Bandit** returns after a break. Showed good speed last year. **11 Corona Cash** won comfortably from the lead last time. Is also good from behind.
