5 Lovely Cross won very comfortably from the lead in her debut. She opened fast then and is our favorite for the front. Good chance again. **4 Manifeellikeawoman** is an early challenger. She also won her debut and did it very easily. Early choice again. **6 Gany** won in June last year and had a long layoff after that. Coming off a new victory but has had a short break again. Has to be considered. **3 Miss Malibu** has also started quite well without winning. She was second in the last race and can take another place here.

2 Lucid Flame is our pick here. Comes with two wins in a row and likes today's short distance. Has had a short layoff and got a nice lane. **8 Kandis Spring** faces the best conditions money-wise but has a tricky number. The horse has done well in three starts after a long break. Early choice. **3 Linus Of Sam** has not won yet after eleven attempts but comes with two second places and seems in good form. The horse will soon take his first win. **1 Leipzig** is also waiting for the first victory. Should get a nice trip from here and is at least a place bet.

4 Le Mans took a close win at Charlottenlund in December and showed the right attitude. Galloped in the first turn in the last race but has a nice task here. Probably goes for the front and will be hard to beat from there. **1 Loving Laser** has been consistent and good at the end without winning. Has finally got a good lane and should get a nice trip. Early choice. **6 Kitty Cross** did quite well at the end of last season. She is coming back after a layoff and should be considered directly behind our favorite. **3 Kima Kyvsgård** was fourth in her comeback after a long layoff in the last race and should be improved now. Good lane and possible behind our winner.

2 Challenge Accepted is our pick in a tricky race. He won at this track in mid-December but has mostly galloped since then. Early choice without a mistake. **8 Kingston Flamingo** also galloped last time but did well in two starts in January. Faces the best conditions money-wise but has therefore got a difficult lane. Jeppe Juel will drive this time. **4 Röde Orm** won at this track after a trip mostly outside of the leader. With a similar effort he should be considered early on. **5 Loric Runancy** had a pretty good season last year with two wins and six second places. Makes his seasonal debut here and is possible straight away.
