Auto 2140

**RANK**

**1 Lazer** surprised in the last race and won comfortably from the lead in a bigger race. Maybe not fast enough to take the lead from here but should get a nice journey in this small field. **5 Outskirts of Heaven** has been very consistent and good this season without a win. Just closely defeated two starts back and is on the way up. **4 G.K.Dobzon** has mostly competed under the saddle at the end and done well. He is coming back after a layoff but is possible straight away. **6 Hutilihutshesalady** is not bad but she is also making her seasonal debut here. She did quite well last year and has to be considered behind the favorite.

**6 Ubergs Kos** is better than the latest results show and has faced much tougher opposition than today's. Has a very nice task here and is our winner. **4 Homme Alcor** has started really well this year and finished nicely in the last race after a gallop. He has already taken two wins this season and could take another one here. **2 Bellamile** has shown good form of late and was brave as second from the lead in the last race. Early choice behind our top duo. **3 Nume Bris** has not won for a long time but is not that bad. Mostly a place bet.

**2 Gunnlaila** is a three-year-old filly making her debut here and she is of course a bit hard to predict. Only two horses in the first circle and Vidar Tjomsland probably wants to find the lead with her. **3 Jakob W.** has not won yet after eleven starts but comes from several good efforts. Finished well in the last race as third and is an early choice. **1 Tangen Berit** galloped under pressure from the lead in the last race and was not empty then. Chases revenge and has an excellent lane. Will get a nice trip behind our favorite? **8 Aaby Zuza** sprinted well in the last race and finished fourth. Could be a place bet here.

**5 Fabulous d'Arc** gave up in the last race but we see it as an accident. He had put in several good results before that and has a nice task here. Our winner. **6 Too Young** has done quite well of late and seems to be on the way up. Will face easier opposition this time. Early choice. **2 Ann's Kronos** won closely from the pocket in the last race at this track. No victory last year but has already won twice this year. Early challenger. **3 High Roller** is not a superstar and is coming back after a long layoff. Could be a place bet in this race.

## RANK

**3 Trö Hav** gets the tip in this fairly open race. He has been consistent and good towards the end and in the last race he got locked in with some energy left. **7 Ofelia** finished strongly as second in the last race and looks in fine form. She took five wins last year and is an early choice. **6 Hage Balder** has put in several good efforts towards the end. Finished nicely in the last race but came too late. Hopes for quick pace. **4 Moi Linn** should also be considered very early. He didn't win a race last year in 19 starts but finished well to victory in the last race.

**5 Kringelandisak** has been matched against tougher opposition of late and has a nice task here. Won nine races last year and should have a good chance to win. **6 Fyri** has galloped towards the end on the way to a couple of good results. The horse is clearly better than the latest results show and is driven this time by Eirik Höitomt. Should be considered early on. **1 Bjönnum Argr** should get a nice trip from this lane. Won from the outside of the leader in the last race and is possible behind our favorite. **3 Lesja Odin** won directly in the last race and decided easily after a nice finish. Should be even better now and is an early choice behind our winner.
