3 Kiss The Teacher took his first win in the last race and is driven this time by Stefan Persson. Good lane and our pick in a mediocre and tricky race. **7 Global Feature** was really good last autumn and is perhaps the best horse here. Seasonal debut though and a tricky number. **1 High Hopes** won at Solvalla at the end of November and is an early choice with a similar performance. Good number but has had a layoff. **6 Grand La Vie** was superior in August and has one run under his belt now. Interesting lane and our close favorite for the lead.

6 Don't Touch Me D.E. is our idea here. The horse returns after a break and faces somewhat easier opponents here. Driven by Petter Lundberg and our favorite for the lead from this lane. **10 VästerboFlybyNight** is really good for this class and faces perfect conditions money-wise. Was third after a layoff at Solvalla last time. Certainly even better now. Early choice. **9 Jack Grealish** has one run under his belt too. Won three of twelve races last year and is driven this time by Claes Sjöström. Has to be considered. **12 Kehewin Goj** has two wins in a row and he should also be on the way up with the last race under his belt.

5 Olympia Sting has a nice task here. Comes from several good efforts and from this perfect draw we think Claes Sjöström will find an early lead. Barefoot forward plus bike. Good chance. **8 Flys Popcorn** won straight away in the last race after a break and should be even better now. Very difficult lane though. Petter Karlsson drives. Probably barefoot. **3 Charlie T.T.** had a pretty good season last year. He faced too good horses in the last race but is well drawn now and Stefan Persson is an advantage. **1 Ed Sheeran** didn't have a good season last year but was second straight away in the last comeback. He has got an excellent lane and could find the position behind the favorite.

1 Hit Or Miss has started well but returns here after a long layoff. Is probably well prepared and face somewhat easier opposition. Good draw. Our pick. **3 Gibson Brodde** is an early choice for us. The horse has competed in the V85 lately and is going down in class. Good lane and early challenger. **9 Manne Margunn** won four races last year and earned the most money. Seasonal debut but has to be considered straight away if well prepared. **6 Yemeniz** was second from the lead in the last comeback race. Run under his belt and won with Rosleff in August. Our close favorite for the lead.
