9 Nightwish River is capable and has had a good start this year. After two straight wins he had to give up in the last race after a trip outside the leader. Should be allowed to take over the lead here. Top chance. **3 Slave To Queen Cal** got locked in last time in the V75. Easier this time. Takes the lead and gives it away? **13 Bollinger Bishop** is good when he avoids a mistake and finished strongly from far behind in the last race. **2 Pommac WF** has not started for a while and been a scratch.
