12 Emperor Godiva has been really good in the V75 lately and is in great form like the whole Markus Pihlström's stable. Poorly drawn, but at the same time he is going down in class a lot. With the right trip in this race for inexperienced drivers, he should have top chance.

7 Ever Forever Gar is hard to predict but capable. Early challenger.

4 Ninepoints Winner is not reliable but has good speed. **8 Aprilia Zoot** scored a good win in the last race, but this lane is poor.

11 Konstantia Sisu showed high peaks last year. Lane eleven is obviously not ideal, but if she just avoids traffic problems we think she will be the strongest at last. **3 Elita Indal** has not lived up to her capacity this year. However, she is normally good enough to win a race like this. **5 Hafa Go** has high peaks and if she is at her best, she is a contender here. **6 Queen Of Power** did well against tough opponents in the last V75 race.

9 Gaining Experience impressed last year. The horse can do it tough and will probably get an offensive journey by Björn Goop. From the lead or the first over, the chance of winning should be good. **10 Fortebraccio Font** is currently one of the few who can match the favorite regarding speed. With the right journey he could be a challenger. **4 First Choice** has done well in easier races in Italy. **3 Williamson B.B.** could lead this for a long time.

6 Moni Making Pace beat Pele Boko in his debut and is really good. Could reach the front here and is our pick. **8 GooGoo Fairytale** has impressed a lot so far. Could get a tough journey from outside the leader here but is an early choice. **4 You Bow to No One** was a bit slow last time, but tight starts and the Norwegian bridle are interesting. **5 Pasha Newport** disappointed in the last race but scored a good victory before that.

4 Speed Change has made a few starts for Alessandro Gocciadoro now and been improved a lot compared to last autumn on Swedish soil. He benefits from full distance and should have top chance. **5 Ugalli** is in strong form today. The horse has shown good capacity and should be considered early behind our pick. **1 Love Happens** had no chance against our favorite in the last race but could get revenge from the lead. **7 Overdrive Steel** is a strong finisher and has good form.

5 Västerbo Carretera uses to win and has shown the right attitude. She is well prepared for this race and from a suitable starting position she is our number one. **10 Cala Karamell** finished strongly in her comeback in a tough Margareta race. Now she is racing barefoot for the first time. **7 Day Time Trot** has the right attitude. A couple of interesting changes now and she has to be considered. **4 Metaire** is not as tough as the above mentioned but has started promisingly.

Heat 1: **3 Alsaker Pumbaa** is the one who is matched against top horses and is the horse to beat as he is incredibly fast the first part.
Heat 2: **5 Snyggs Rubin** opened faster than **4 Brenne Rön** last time and could do so again. Maybe the latter one is a bit tougher at the end.
Heat 3: **7 Fakserling** is very quick and over this short distance he is our idea. Final: For us **7 Fakserling** is the horse to beat here, even if **3 Alsaker Pumbaa** probably owns the highest capacity.
