

R1 ENGHIEU [L-H]

C1 - PRIX DE SARE - 2875m (a2m) - Class D - Harness - EUR € 40,000

1. **NATACHA DE CHENU** - Lost her action at Thouars on debut 9 days ago. Sports 4 pads this time but still has a lot more to find
2. **NOMINEE** - Has shown little aptitude for the harness game to date and can be confidently ruled out
3. **NUANCE DES LOYAUX** - Showed marked improvement at Le Mans a fortnight ago when 2nd in a 2200m Class F. Takes a notable step up in category but will have her supporters
4. **NOUMEA DES YVETS** - Totally out of the picture in all 3 starts since her break and is not a concern
5. **NI OUI NI NON** - In the frame in all 3 starts to date, latterly 3rd of 10 in a Nantes Class E mid-month, and it will not be long before she loses her maiden tag
6. **NONNE D'ERABLE** - Confirmed last summer's good qualification when clinching victory on debut in a 2625m Cherbourg Class F on 6 April. Comes here fresh, will have progressed for the race, and can get a look in
7. **NON STOP JIHEM** - Imposed at Bihorel-lès-Rouen on 19 April at first time of asking, then ran 2nd to NOBLESKA (9) in a Graignes Class F 2.5 weeks ago, but it would be no surprise to see her exact revenge
8. **NINA DAIDOU** - Got off the mark at Gournay-en-Bray early this month before running 4th in a 2450m Caen Class E a fortnight later, and will be in with a shout if Alexandre Abrivard gets her off on the right foot this time
9. **NOBLESKA** - Surprise 4th in a Class C over course and distance on 18 April before edging NON STOP JIHEM (7) in a 2700m Graignes Class F 2.5 weeks ago. Faces a tougher test this time but is still progressing and should not be underestimated
10. **NEFERTITI** - Got off the mark on comeback at Graignes 3.5 weeks ago prior to running respectable 4th in a 2700m Vincennes Class D on 12 May. Is not about to win this but can nevertheless pick up a first-5 payout
11. **NANUCHKA** - Swiftly sanctioned in a 2150m Class D here but was most impressive thereafter, and with application, can return to winning ways
12. **NIKITA GOLD** - Showed some promise last autumn but looked decidedly ordinary on her Chateaubriant comeback a month ago and others preferred
13. **NUIT D'IVRESSE JAF** - Has 3 runs under her belt this term but has failed to make any impact and is unlikely to trouble the judge

Summary: Although quickly eliminated here late last month, NANUCHKA (11) nevertheless showed her excellent condition and could well win this if Paul Ploquin keeps her focused. NINA DAIDOU (8) though left a good impression at Caen a week ago and will be re-shod. Winner first time out, NON STOP JIHEM (7) was surprisingly beaten by NOBLESKA (9) earlier this month and Yoann Lebourgeois will be eager to turn the tables.

C2 - PRIX DE LA PORTE DE SAINT-OUEN - 2875m (a2m) - Class D - Harness - EUR € 40,000

1. **NEWTON DE LOIRON** - Was heavily-backed on career debut at Le Mont-Saint-Michel 8 days ago, but failed to stay in stride. Finds himself in more elevated company this time and even with hind pads fitted will struggle to make his mark
2. **NADAL D'OLIVERIE** - Gave a fine account on career debut a fortnight back when dominating a Cherbourg Class F. Takes on a better lot this time but will have improved for the race and should not be far from the action
3. **NEMO DU BOCAGE** - Moderate colt that lost his maiden status after securing a Class F at Le Croise-Laroche on 27 April, however in this category will need to find considerably more
4. **NI PLUS NI MOINS** - Good colt that has been progressing nicely, most recently 3rd in a Chartres Class E on 7 May. Could have finished closer though had he been afforded a run and should be good enough to give NEGOCIABLE (11) a run for his money
5. **NIERMES DE GUEZ** - Interesting future prospect that ran a very good reduction at Meslay-du-Maine earlier this month. Goes left-handed for the first time and will have a lot to contribute if he turns
6. **NEPAL MISA** - Has placed just once in 8 career starts and recent return runs have done little to convince
7. **NUMERO UNO** - Ran 2nd on re-entry a Pontchateau before faulting in a Vincennes Class D mid-April. Should appreciate the Enghien profile and can get a look in if Franck Nivard keeps him trotting
8. **NELSON DU RIB** - Has taken well to the harness code, just 2.5 weeks ago getting off the mark with a comfortable Class F Graignes victory, and climbs the category-ladder with a decent hand to play
9. **NINO DE LARRE** - Showed his form at Vincennes despite being disqualified but was less performant here late last month and would be preferred a level down
10. **NICKY DU VERGER** - In the frame in both runs this year, latterly 3rd of 10 in an Argentan Class D 12 days ago, but is unlikely to confirm
11. **NEGOCIABLE** - Quality individual that can be forgiven last month's sanction here. Is better than most in this field and with application can set the record straight
12. **NEW ATOUT** - Would have finished 2nd on comeback at Vichy had he not lost his action. Is confirmed at Enghien and the addition of pads may be just the ticket to his redemption

Summary: Excellent in his first 3 starts, NEGOCIABLE (11) was heavily-backed here late last month only to break into a gallop, but Clement Duvaldestin will be in the bike this time and will be justifiably confident of imposing. Chances are though that he will encounter resistance from NI PLUS NI MOINS (4) who makes his Enghien bow in fine shape, and the complicated but ideally-engaged NEW ATOUT (12) who sports front pads for the first time. NIERMES DE GUEZ (5) imposed on debut before running 2nd at Meslay early this month and Nicolas Bazire will be justifiably confident of another good performance.

C3 - PRIX DE LA VIENNE - 2150m (a1m1/4) - Class E - Harness - EUR € 35,000

1. **MOJITO CENE** - Returns to racing barefoot after being prepped at La Capelle a fortnight back. Is new to the venue but has demonstrated fine versatility and must be considered a leading contender
2. **MISTER MORO** - Has taken his game up a notch since starting to race competitively-shod. Made short work of a Laval Class E late last month and from the 4 slot a repeat is well within his reach
3. **MY LOVE PANAME** - Struggled earlier this year but imposed at Marseille-Borely in late-April when first-time barefoot. Faces a tougher task this time but can still trot his way into the money
4. **MOJITO DE BANVILLE** - Eliminated more often than not but is difficult to knock when applied. Sports a fresh formula and on good behaviour can play a leading role
5. **MOTS BLEUS** - Got off the mark at Graignes last month before coming unthreatening 5th in a Vincennes Class D on 24 April. Will appreciate Enghien conditions and will again be expected to finish in the mix
6. **MERCURY DELO** - Clearly capable and has form in superior company. Has suffered considerable misfortune lately and returns to Enghien with a decent chance of getting that maiden monkey off his back
7. **MARC AURELE** - Useful element going left-handed for the first time after having been eliminated in 2 of last 3. By no means the worst horse here and should not be overlooked
8. **MISTRAL POURPRIX** - Got the year off to a good start but has since lost his way. Has been entrusted to Eric Raffin for the first time but is still not a priority
9. **MISTERIOSO** - Opened his 2026 account, at 33-1, on just 2nd start back, clinching a Class F at La Capelle 3 weeks ago. Is not about to repeat but cannot be discounted either
10. **MEYDAN VOIRONS** - Imposed on re-entry at Le Croise-Laroche but has twice failed to confirm and would be preferred barefoot
11. **MAJOR D'IVY** - Made no impact on comeback when last of 10 in a Laval Class E a month ago and can be passed over
12. **MUSTANG DE REUX** - Honest sort but is not the most courageous and is not about to set off any fireworks

Summary: Most unlucky in his last 2 starts across town, MERCURY DELO (6) has nevertheless indicated that he is close to his race and, if kept out of trouble, can wrap this up. He will still have to take on Enghien debutant MOJITO CENE (1) who has yet to disappoint when barefoot. MISTER MORO (2) has done nothing but improve this term and has a realistic chance of confirming his Laval success. Complicated he may be but MOJITO DE BANVILLE (4) is perfectly-placed behind the car, has been reconfigured, and returns to the harness code with a lot to offer.

**C4 - PRIX JOURNAL WEEK-END (PRIX DU RHONE) - 2150m (a1m1/4) - Class A - Harness - EUR €
71,000**

- 1. KENO PETTEVINIERE** - Opened his seasonal account at Lyon-Parilly a month back but failed to repeat when 5th, a place behind XERAVA C.D. (2), in a 2625m Class B at Châtelailon-La Rochelle a fortnight ago and others preferred
- 2. XERAVA C.D.** - Good Scandinavian mare that has taken well to French conditions. Held her own in a Châtelailon-La Rochelle Class B a fortnight ago and in similar shape can again make first 5
- 3. KEMIA DU CHENE** - Useful on a good day but is often campaigned too high. Reassured when 4th behind KISS ME HONEY (6) in a Laval Class D late last month though and, while not a priority, will be reconfigured and should acquit herself honourably
- 4. DIABEL** - Returns to a track she likes after running 2nd in a 2100m Vincennes Class C in early-April. Runner-up in 2 of last 3 starts and can bring the fight to KATCHI QUICK (5)
- 5. KATCHI QUICK** - Serious sort that has been excelling all year. Is patently at the top of his game and has every chance of staying undefeated at Enghien
- 6. KISS ME HONEY** - Good dual-discipline mare that came 3rd in a monte Class B here in March before running Karnac Wood close in a Laval Quinte 3.5 weeks ago. Is well-placed on the front row and will be no shrinking violet
- 7. BROTHERS IN ARMS** - Kicked the year off in fine fashion but was eliminated in Gr.3 Prix du Perreux 10 days ago. Starts wide on front row but will nonetheless generate some interest
- 8. JOS MAZA** - Quality Dutch trotter returning to Paris after a pair of good efforts in Victoria Park, but is clearly taking on too much this time
- 9. LUDIVINE** - Well-regarded mare with nothing to prove at this level but eliminated in last 2 and will be less competitively-shod this time
- 10. EVERY TIME WINNER** - Made up for early-May elimination when 4th, a place behind NELSON GREENWOOD (12), in 2700m Gr.3 Prix du Perreux on 13 May. On the back line here but will not be sent out at 23-1 this time
- 11. LEWIS RIVER** - Has started to come good again following a relatively lean patch, most recently 2nd in a 2875m Class B here on 27 April, and with form maintained can play a small role
- 12. NELSON GREENWOOD** - Went from running 3rd in a Toulouse Class E to 3rd in 2700m Gr.3 Prix du Perreux on 13 May. Is clearly in excellent shape and has the wherewithal to finish in the mix once more
- 13. KNOCKONWOOD** - Modest trotter that seldom makes his presence felt and will not be springing any surprises
- 14. OMERTA BOKO** - Left a good impression on re-entry across town when 5th behind NELSON GREENWOOD (12) in 2700m Gr.3 Prix du Perreux on 13 May. Could have finished closer had he not faulted and Eric Raffin will be eager to set the record straight
- 15. LUPIN D'OLMEN** -
- 16. LOUVE DE REVE D'OR** - Returns to France after running 3rd over 2140m in Gothenburg 2 weeks ago. Won her only Enghien start, 2 years ago, but the draw will do her no favours

Summary: Winner of 4 of his last 5 starts and successful on his sole Enghien appearance, KATCHI QUICK (5) posted his best ever time 3 weeks ago and, reconfigured for the occasion, can wrap this up. He will be opposed though by the well-positioned, and in-form, DIABEL (4) who benefits from a terrific entry, and 2nd line starter OMERTA BOKO (14) who would have finished closer in a Vincennes Gr.3 10 days ago had he not faulted. EVERY TIME WINNER (10) finished a place ahead of him that day and can pick up another cheque, as can KISS ME HONEY (6) who has not put a foot wrong under harness this year.

C5 - PRIX DU PONT DU GARIGLIANO - 2875m (a2m) - Class D - Mounted - EUR € 59,000

- 1. CHARLES OP** - Fine campaigner but has not been seen out since last June and is going to need the race
- 2. CAMERON** - Is relatively new to the discipline and has twice held his own, but on this occasion will struggle to make his presence felt
- 3. ROSSI GARLINE** - 5th of 14 finishers on monte debut at Laval a month ago. Has since confirmed under harness but cannot be regarded a priority
- 4. SILVER BULLIT(SWE)** - Pleased under harness at Waregem 2.5 weeks ago but has never excelled under the saddle and can be ignored
- 5. HATE YOU BEYLEV** - Previously a good sort but was soundly beaten in last 2 starts and can expect to have few friends
- 6. JESTA BUISSONAY** - Twice a winner under the saddle at Vincennes in 2024. Has won 2 of 4 with Benjamin Rochard in the irons and can figure prominently if he keeps her focused
- 7. JAZZY THOURJAN** - Blows hot and cold but is not devoid of monte aptitude. Set personal best reduction at Vincennes mid-month when a place behind IBIS DE CHAHAINS (8) and should not be ruled out
- 8. IBIS DE CHAHAINS** - Has ample ability but reliability not his strong suit. Ran 2nd in a Vincennes Class E just 8 days ago and will not be available at 82-1 this time
- 9. JASMINE DE NEUVY** - Clinched victory over course and distance in March before losing her action when full of running across town 3.5 weeks ago. Has won 2 of 3 here and is very hard to ignore
- 10. JOSELITO DU VIVIER** - Classy individual with a perfect monte record. Debuts for new trainer after having imposed on re-entry in early-April and is expected to take all the beating
- 11. JUBLA VIKING** - Has started to come good again following three straight sanctions, latterly close runner-up in a Vincennes Class D 11 days ago, and has a realistic chance of trotting her way onto the podium
- 12. IGOR DU PARC** - Serious element in the discipline. Will be fully-fit by now and can play an important role on his first start at the venue

Summary: Unbeaten in 4 appearances under the saddle, a reconfigured JOSELITO DU VIVIER (10) makes his first start for Severine Raimond; she has retained the services of Paul Ploquin who is 2 for 2 with the gelding and can expect the lion's share of support. Always thereabouts, IGOR DU PARC (12) enjoys a terrific engagement and Adrien Lamy will be keen to take advantage of the opportunity. After a trio of sanctions, JUBLA VIKING (11) is clearly back on the right road and, placed here in March, can again figure prominently. JASMINE DE NEUVY (9) was unable to secure the hat-trick when eliminated at Vincennes, but her form is not in question and she must be taken seriously.

SELECTIONS

C6 - PRIX DE L'OBELISQUE - 2150m (a1m1/4) - Class B - Harness - EUR € 75,000

1. **HIMBERLAND** - Impressive on numerous occasion last season but has looked decidedly ordinary so far this term and needs to get his house in order
2. **GORDON MIJACK** - Has raced and placed at this level but has been a write-off for some time and has no possible chance
3. **COLBERT WF** - Has won 2 of last 3 starts here, and ran 5th to NINEPOINTS LASSE (8) in a Class C over course and distance on 18 April. Enjoys a good spot on the front line and is unlikely to be far off the mark
4. **IRON DU GERS** - Failed to secure a place in Gran Premio de la Lotteria line-up after coming 6th in his heat, but made amends when dominating a 2100m Vincennes Class C 8 days ago, and from the 4 slot will be no soft touch
5. **JE TE CHERCHE** - An absolute dynamo when racing barefoot. Facile winner of a Marseille Gr.3 before securing a Vincennes Class C early last month. Comes here fresh, with trainer's brother in the bike, and has every chance of securing the hat-trick
6. **JEANNETTE PRIORY** - Useful on a good day and pleased on re-entry at Caen, but comes to Enghien on a hat-trick of eliminations and others easier to trust
7. **JOTUNN DU DOME** - Consistently performant type that was just edged by NINEPOINTS LASSE (8) in a Class C over course and distance on 18 April. May not be made of the same stuff as JE TE CHERCHE (5) but still looks the nearest threat
8. **NINEPOINTS LASSE** - Most impressive winner of a Class C under these conditions on 18 April before missing the break under the saddle at Caen 2 weeks ago. Is shod as he was here last month and must be taken seriously
9. **GERICAULT** -
10. **CANTO DEI VENTI** - Can trot but is not the most dependable. Was trounced on recent re-entry here and can be passed over
11. **JAPPELOUP TURGOT** - Ran 3rd to JOTUNN DU DOME (7) in a GNT Gr.3 at Lyon-Parilly in early-April before running out a commanding winner of a Beaumont-de-Lomagne Class A 3 weeks later. Takes on a better lot this time but can still play an active role

Summary: JE TE CHERCHE (5) boasts 11 wins and 3 second-places in 14 barefoot starts and, barring force majeure, should have this in the bag. Fifth to him across town last month, IRON DU GERS (4) has since dominated a Vincennes Class C and can again figure prominently, but may first have to see off JOTUNN DU DOME (7) who won a Lyon-Parilly Gr.2 in early-April before just missing out in a Class C over course and distance. COLBERT WF (3) was not the luckiest at Vincennes earlier in the month and Eric Raffin will be keen to make up for lost time.

C7 - PRIX DE LA PLACE DU CHATELET - 2875m (a2m) - Class D - Harness - EUR € 46,000

- 1. KELOWNA LEGEND** - Got back in the game at Angers 11 days ago when 4th in a Class E, but will need to find more this time around
- 2. KEJAIME DE HOUELLE** - Took no time getting back down to business this term, easily winning a Vincennes Class D on 30 April. Has placed just once in 3 Enghien runs but in present shape should not be ignored
- 3. KALINE DE COSSE** - Honest mare that always gives her best and winner of her sole Enghien run. Hind shoes off this time but still looks a minor place chance at best
- 4. KAROLINE CALINE** - Serious filly that would have finished close at Caen 3 weeks ago had she been afforded a run. Has no Enghien references but is quite obviously close to her race and must be afforded significant respect
- 5. KLASSICA BLEUE** - No slouch on a good day but eliminated in last 3, including over course and distance. Sports a fresh configuration but still not an obvious choice
- 6. KELLE HAUFOR** - Never far from losing her action, which she did when full of running at Vincennes a month back. Went close on only barefoot run here and could pleasantly surprise if she replicates her early-April performance
- 7. KATIA DHELPA** - Revitalised over recent months but takes on a more elevated bunch this time and will have limited prospects
- 8. KORALIA DE CROUAY** - Defied her odds to run 2nd on comeback in a Class D over track and trip in mid-April. Has run 2nd in 3 of 5 starts with Eric Raffin and is one to be monitored carefully
- 9. KALANDA D'ELVIE** - Makes the long trip to Paris after winning 3 of last 4 in the south of the country. Enjoys a good entry close to the limit of earnings and will have her chances
- 10. KUNAMATATA** - Not always the easiest of horses to use but is plainly in excellent shape. Won her only start at the venue and, considering the engagement, has a realistic chance of bringing home the bacon

Summary: Winner at Meral before being eliminated when prepping right-handed 3 weeks ago, KUNAMATATA (10) benefits from a superb entry here and, winner of her only Enghien start, can leave the venue undefeated. That being said, KAROLINE CALINE (4) had a nightmare run at Caen earlier this month but can make amends and fight out the finish if Matthieu Abrivard keeps her out of harm's way. Like a horse reborn over recent months, KALANDA D'ELVIE (9) makes her Enghien bow with David Bekaert in the bike and a good hand to play. KORALIA DE CROUAY (8) pleasantly surprised under these conditions on last month's re-entry and will have progressed for the run.

SELECTIONS

C8 - PRIX DE LA PLACE GAMBETTA - 2150m (a1m1/4) - Class C - Harness - EUR € 53,000

1. **LEONARDO DE LOU** - No slouch in either code but has yet to get into his stride this season and even though shod to preference still has too much to do
2. **LOVEBIRD** - Sprang a 21-1 surprise when 4th in a 2100m Vincennes Class C early last month. Starts on the front line but others easier to back on this occasion
3. **LINNA DE VANDEL** - Produced a pair of good runs before being eliminated in Vincennes race of reference a month ago. Has been handed a good draw, is shod as she was when victorious at Caen in March, but is biting off more than she can chew
4. **LE TOUQUET** - Can prove a handful but has been in excellent shape. Has already won under these conditions and once again looks main threat to LE GENTLEMAN (7)
5. **LOYAL DU CHOQUEL** - 8th of 9 finishers behind LE TOUQUET (4) in a 2700m Vincennes Class D on 24 April, on first start since the spell. Will have come on for the run and from the 5 slot will be no pushover
6. **LAREDO BAY** - Drops back in category after failing to fire in a 2875m Class B here on 27 April. Has yet to deliver at Enghien but can trot and Paul Ploquin will be eager to prove the point
7. **LE GENTLEMAN** - Serious trotter that excels with Benjamin Rochard and has never disappointed in the day's configuration. Has yet to be bested here and has a realistic chance of keeping that fact relevant
8. **LE BOLIDE** - Mixes the good with the less-good but gave a reassuring account at Chateaubriant a month ago. Returns to racing with pads though and can expect to find the going a bit too tough this time
9. **LIQUIDATEUR** - Failed to live up to expectations when 5th in a 2200m Caen Class C a fortnight back. Breaks on the back line this time but could still get a look in
10. **LE MIRACLE** - Wonderfully consistent sort that has picked up this term where he left off in January, latterly dominating a Cholet Class Din early-April. Goes barefoot at Enghien for the first time and despite the draw still looks competitive
11. **LASH PERRINE** - Unexceptional trotter that has not made his presence felt for some time and is unlikely to create an upset
12. **LIZY JOSSELYN** - Modest mare whose form is headed in the wrong direction and has nothing to offer
13. **LITTLE ITALY** - Picked up on re-entry in April where she left off last season but stays shod on this occasion and best to keep one's powder dry
14. **LORIGRE** - Gave a much better account behind LIQUIDATEUR (9) at Caen 2 weeks ago than the result would imply. Has been handed a tough draw but with David Thomain in the bike will be afforded every chance
15. **LARIANO** - Lost his action in 24 April race of reference. Has bags of ability though and it will not be long before he shows his true face again. Place chance
16. **LA DIVA SUPREME** - Can trot when focused but returns to Enghien after 4 straight eliminations and will have few takers

Summary: Winner over 2100m at Vincennes, setting his personal best chrono, before finishing a place behind LE TOUQUET (4) over 2700m at the same venue a month back, LE GENTLEMAN (7) is unbeaten in 2 Enghien starts and has a reasonable chance of turning the tables. Eliminated that day when clearly going well, LARIANO (15) may not have pulled the best draw but he is better than recent numbers would suggest and, sporting front pads for the occasion, it is only a question of time before he gets back in the game. Better-positioned behind the car and difficult to fault when focused, LOYAL DU CHOQUEL (5) has a race under his belt and should prove considerably more competitive.

C9 - PRIX D'ESPELETTE - 2875m (a2m) - Class D - Harness - EUR € 46,000

- 1. LUXE D'ERABLE** - Decent element but is still being conditioned and will have little to offer on Enghien bow
- 2. LITCHI DU BISET** - Dependably performant for the most part and recently secured an Argentan Class E, but may need to find more this time around
- 3. LITCHI CASTELETS** - Runner-up in 4 of last 5 starts, including over shorter here last month. Is patently on the cusp of getting his nose in front and must be considered a serious proposition
- 4. LOVER SIXTY ONE** - Tricky sort that showed promise at 3 and 4 but has been a write-off since. Is barefoot for the first time but others still easier to back
- 5. LULU DES CARREAUX** - Sprang a 23-1 surprise when victorious in a Caen Class E a month back, however a repeat seems most improbable
- 6. LAKOS DE BERLES** - Hardy individual making first appearance since 20 February and with shoes fitted will have little to contribute
- 7. LICAR SOMOLLI** - Twice a winner here last summer but has been very disappointing since and will need to get his house in order
- 8. LUCIANO ROYAL** - Has done everything asked of him so far this term but has little love for Enghien and in this company is not about to spice things up
- 9. LUXOR D'AUVILLIER** - Good consistent sort that imposed on turf last month prior to coming 4th, a place behind LAWMAN (15), in a Class E at Le Mans 2 weeks ago, and is not about to return home empty-handed
- 10. LUTIN DES ARRIS** - Tricky individual but has ample ability and imposed over track and trip in March. Should not be condemned for recent elimination, his form is sure, and redemption looks to be on the cards
- 11. LUXOR DE MARZY** - 5th behind LUTIN DE BAFFAIS (12) under these conditions on 18 April before easily securing a Saint-Brieuc Class D in late-April. Sports a fresh configuration and is unlikely to be far off the mark
- 12. LUTIN DE BAFFAIS** - Back on the right road after a pair of early eliminations. Seldom disappoints when barefoot and in present form is easy to like for a place on the podium
- 13. LOUIS QUATORZE** - Placed in 2 before disappointing in an Argentan Class E on 13 April. Is clearly better than that though and should not be overlooked
- 14. L'INTOUCHABLE** - Unremarkable trotter that has failed to make much of an impact over recent months and can be passed over
- 15. LAWMAN** - Made up for monte blip here when 3rd in a Class E at Le Mans a fortnight ago. Is not the biggest Enghien fan but in present shape is hard to ignore. Place chance

Summary: Comfortable course-and-distance winner in late-March, LUTIN DES ARRIS (10) was unable to repeat at Le Mans next time but is reunited with Benjamin Rochard who will be hopeful of putting things right. He will still want to be wary of the wonderfully-consistent LITCHI CASTELETS (3) who has been knocking at the door. It took a couple of runs but LUTIN DE BAFFAIS (12) left a very good impression under these conditions last month and should be capable of making the frame once more. Just a few Euros from elimination, LAWMAN (15) has placed in 3 of 4 harness starts this year and is unlikely to let the side down.
