7 Fantastic Godiva is our pick in this weak race. Earned the most money last year and has done quite well this year. Can open fast. **8 Juan Sisu** scored a good win in March. Faces good conditions money-wise and is driven by Ulf Ohlsson this time. Early choice. **12 Roman Tile** is very consistent and good. Took two consecutive second places in March and should be considered early here despite this tough lane. **11 Sunlight** is a bit better than the latest results show. Won three out of ten races last year. Is at least a place bet.

1 General Silvio has shown very good form of late and is coming off a nice win. He is not a quick starter but should have top chance if he finds a way out in time. **3 Blacky Luca** is challenging. He is fast from the start and could take the lead together with new driver Ville Pohjola. **2 Noble Ale** has also a good number. Wins quite often and is an early choice behind our favorite. **12 Global Bam Bautin** is also good for this class but poorly drawn. Hopes for quick pace and should not be overlooked.

1 Kihl Kihl Boko is our pick in this open race. Scored a good win in the seasonal debut and has a nice starting position here. **3 Raven** is probably the best horse but he has galloped a lot towards the end. If he avoids a mistake and is at his best he has a good chance to win this. **9 Summit By Proxi** is also one of the better horses here. Did not convince last time though and has got a tricky number here. Needs a bit of luck. **2 Game Of Trot** is quite consistent and will probably get a good trip from this lane. One of many contenders in a tricky race.

6 Debonair Mary should have a good chance in this rather weak race. He hasn't won yet this year but done quite well. Will probably get an offensive journey. **12 Final Whistle** has a difficult lane but faces very nice conditions money-wise. Seems in pretty good form and is driven this time by Ove A Lindqvist. **9 Somebody's Destiny** was second in the last race after a short layoff. Has a tricky number but is an early choice with the right trip. **10 Backwood's Boogie** has raced in Finland recently and is a bit hard to predict. Driven this time by Ulf Ohlsson.
