3 Mona Simone made the most money last year. She hasn't won yet this year but had energy left in the last race and looks to be in good form. Good draw and our pick. **5 Quantum Tile** comes from a second place and should also be considered early in this open race. **1 Thai Dakota** won at this track in mid-May. Has an excellent draw and is also good for this company. **2 U.N. Lando** won at this track in April and has been consistent and good since then. Good lane and an early choice.

1 Ry Tora is coming from victory and has got an interesting draw here. Our winner in this cold-blooded race. **10 Hassel Herakles** has also shown good form of late. Took a big win two starts back and comes from a second place. **6 Månestjernas Rex** has already taken two victories this year. He also won last time and is in good form. Should be considered early. **3 Låhne Haien** won a bit surprisingly at the end of May and was fifth in the last race behind Månestjernas Rex. Place bet.

Good draw and early choice. **3 Touchtoomuch** won in the seasonal debut and has been consistent and good since then. Should be considered early from here. **10 Capax H.** won all three races last year. Hasn't won yet this season but been pretty good. Is an early choice in this company.

9 Aaby Fröken has started brilliantly with four wins in five races. Has taken two victories in a row now after a longer layoff and has beaten these horses before. Top chance. **7 Adals Tulla** is also in good form and has two wins in a row after almost a year's layoff. On the way up and challenging. **5 Birk Gullmin** galloped in the last race but had done really well before that. Early choice behind the favorite. **4 Hagebakkens Odin** won at this track two starts back and without a mistake he is at least a place bet in this field.

5 Tangen Braute is our winner in this mediocre cold-blood race. Won three out of eleven races last year and has done quite well at the end. Faces good conditions now. Good chance to take the first win of the season. **1 Birk Stövern** was fourth behind our pick last time but faces tougher conditions now. Won at the end of March and had a good season last year. **2 Birk Faks** has done well of late and the ten-year-old should not be overlooked from this nice lane. **3 Vestpol II** rarely wins but in this field he should not be completely discounted.

4 Lioncoeur held the lead in the last race and won very comfortably. Goes for the lead again here and should have a good chance in that case. **1 Hutilihutshesalady** galloped in the last race but came back really well as second and was brave. Should get a nice trip from here. **9 Gislerun** has not won yet this year but been consistent. Could get a nice defensive journey from here and is dangerous then. **6 Charlie Laross** is a little bit better than the latest results show and is a place bet in this field.
