4 Aetos Kronos made it to Elitloppet earlier this year. Won the last race despite a tough journey and even if he is a bit up and down he should have top chance to win this. Banker. 1 Guzz Mearas was just closely beaten by our pick in the last race and will certainly get a nice trip with this number. Challenger again. 3 Usain Töll won easily in the lead in the last race and looked nice. In the race before he got locked in at the end in between horses with energy left. 5 Västerbo Lexington was not at his best in the last race. Outsider here.

15 Oxidizer is the toughest horse in this company. Apart from the last race he has put in strong efforts this season against good opponents. Good chance with the right trip. 9 Dali Pagadi comes from a convincing victory directly after a break. Should be even better now and he has to be considered early. 2 Zack Wind has convinced for the new trainer with two straight wins. Tougher task now but he should not be overlooked. 10 Bicc's Avalon is better than the latest results show but the form is a question mark. Örjan Kihlström now.

Heat B. The horses met earlier today in race 4.

2 Bravo Sabotage had been a non-starter before July 13 but was brave after taking over the lead with one lap to go. Our pick. 4 Eros Zola looked nice when he visited Axevalla one month ago. Has the right attitude and should be considered early here as well. 5 Piccadilly is consistent and good and met tough opponents on Solvalla. In the mix with the right journey. 3 Kainai Goj was close to win on July 12. Should be improved by the last runs under his belt.

1 Black Magic Eyes showed 09.0/800 at the end in the last long E3-final. Is developing well and should have a good chance even if this number could be tricky. 4 Seventh Heaven was Erik Adielsson very pleased with after the last victory. She found the lead with this number four and has to be considered again. 5 Thai Brooklyn got defeated for the first time in the last race but did well. Tougher opponents now but has nine wins in ten starts so far. Impressive. 2 Ain't Misbehavin was heavily backed in the last race but got defeated by Seventh Heaven. Nice number.

3 Chiru put in a splendid effort from outside the leader in the last race. Is not a very quick starter but will get a nice journey again and is still on the way up. 4 **Elegant Ima** did not trot well in the final turn in the seasonal debut and galloped. The chances are not easy to predict but the horse is good for this class. 5 **Kurri Jari Boko** is consistent and good and finished strongly from far back in the last race. Better number now and he should not be overlooked. 2 **Head Run** gave up in the seasonal debut. Should be improved by that run.

11 **Digital Dominance** was third in Harper Hanover race earlier this year and is developing really well. Likes the long distance. and is our pick here. 15 **Pacific Face** is very strong and won this race last season. Will defeat many opponents during the final lap again and is an early choice here. 9 **Quite E.Wood** never found an opening in the last race and had energy left at the end. Has good speed and is an early choice with the right defensive trip. 10 **Kalashnikov** made his comeback in Sweden in the last race and needed that one.
