6 Tailwind found the position outside of the leader in the last race and scored a good third spot. He has not won yet but is our pick here with the right journey. 12 John Joep got a tricky journey in the last race and got locked in with energy left at the end. Poor number but with some racing luck he will be in the mix. 10 Nice Knight has been consistent and good. With the right trip from the back he will defeat many opponents here. 2 Sign Me Up Town scored an easy win after a nice defensive trip two starts back. Will get a nice journey here.

8 B.W.Sture scored a strong second spot behind Odd Herakles in the last sulky race. Likes to race under the saddle and should have a good chance here despite this 40 meter handicap. 2 Sundbo Komet was second to our pick when they met in the beginning of June. That was over the middle distance. Early choice here over the short one. 7 G.G.Ojjdo has been consistent and good this season. Has earlier shown that he likes to race under the saddle too. Should be considered early. 5 Wilda Fille scored a good second spot in this discipline two starts back. Has place chance here.

1 Hulte Annika took over the lead after 550 meter in the last race and was improved a lot. Could score a new victory here with this nice number. 10 Åsa Klipp made a short mistake in the last start but finished well a bit behind the winner. Is in good form and should not be overlooked. 9 Månskens Pärla still ran in the lead when she galloped with 650 meter to go in the last race. Is not reliable but Rikard N Skoglund is interesting now. 8 Läckra Lisa is good when she is at her best. Outsider.

1 Magic Madonna is inexperienced with only four starts so far but she has won two of them and comes from a nice record. Our pick with this good number. 9 Mighty One got a trip from far back in the last race and never had a real chance despite finishing 12/800. Early choice with a better journey. 4 Ragazzo Unico galloped fighting for the lead after 100 meter in the last race. This number suits the horse well. 7 A Diva I Am can open fast and will probably get an offensive start despite this number seven. Should not be overlooked.

7 Love No Pain has got a short break after a couple of mistakes in April and May. Likes the long distance and needs to defend a victory five starts back. Good chance. 2 Hemisphere is not reliable and galloped a couple of times in the last race. If he trots better now he is fast enough to be in the mix. 8 Ready Doc has not been as good as last season when he scored six wins and earned more than 500,000 SEK. He likes this long distance. 5 Jeppas Unplugged has galloped a lot lately. Is good enough to fight for victory here.

12 Didi Dam won easily in the lead in the last race. Poor number over the short distance here but in case of quick pace he will defeat many opponents. 1 Love You Sweden has been up and down but five wins in 10 starts is impressive. 6 Önas Py is chasing the first win ever. Met much tougher opponents in the last race and is an early choice here. 7 First Date has good speed. Is a quick starter and could get an offensive journey here despite this number behind the gate.
