9 Fräcke Prins is our winner. He got a tough final 900 meter in the last run and was brave. Got locked in with energy left three starts back. 1 Höstbo Wille likes this distance and he looks slow but strong every now and then. Early challenger. 4 Haga Modde has been competing in heats and finals on two occasions lately. Possible with the right journey. 8 Norrbo Odin finished alright from far back to a fifth spot. Uses to keep up the pace well.

12 Ottens Isa scored a couple of good wins in April and May. Faces quite good conditions here if she handles this number four in the circular start. 1 Gabriella Godiva is the only three-year-old in this race. She set a new record in the last start and should get a nice journey with this number. 8 Luke Pike came back well after an early mistake in the last run and showed good form. Outsider but needs some racing luck with this number eight. 4 Finally starts for the first time since October. He showed good speed last year and is an outsider directly here.

1 Eagle in Disguise took over the lead in the middle of the last race and kept up the pace well. Likes this distance and is well drawn. Our pick. 4 I Love You Sisu galloped at the end in the last run. Can do better than he showed then. Scored two nice victories in a row before that. 3 Very Gone Face never got a real chance over the short distance in the last start. Longer distance this time and that should be an advantage. 10 Cemonroc de Coeur finished well against tough opponents two starts back. Outsider here.

12 Blue Bell has put in three strong performances after a long pause. Is strong and should be on the way up. Good chance here. 9 Apache was outstanding in the lead two starts back. Finished well to second and has to be considered early. 10 Gibson Brick got a tough journey outside of the leader in the last run and scored a strong third spot. Possible but needs some racing luck with this number. 11 Southridge Jeremy is consistent and good. With the right defensive journey he has to be followed here too.

7 Slotts Elden resumed from a seven months pause in the last run. Galloped shortly with 650 meter to go and was not empty at the end. Our pick. 10 Borkeld got a defensive trip in the last run from fourth on the inside. Got locked in and had energy left. Should be considered here. 1 Järvsö Henrik did not handle three false starts in the last run and galloped. Interesting number now and ready to set a new record. 15 Sundbo Grann scored a nice victory on Hoting. Could defeat many opponents again here but needs some racing luck.

Swedish Championships for female drivers. The final. 2 Comes with Age won the heat on Solvalla after an early lead. Is well drawn again and in good shape. Our pick. 8 B.G.Pastor Jonte was second to our pick on Solvalla and got a tough journey on the outside then. Could get a similar trip here but wants to take revenge. 7 Eightdaysaweek looked very nice when he won the heat in the lead. Should not be overlooked in this final either. 4 Liquify'em has been competing a lot in the V75 this season and the horse has become tougher.
