**Summary:** CHAI D'OEUVRE (4) is a longstanding maiden who continues to keep one interested in his bid to claim that maiden win. He is in the right race and should have every opportunity of cracking it. GALACTICO (2) has shown bits and pieces off form and needs to be forgiven for an under par latest effort. He can have a say in the outcome. POPPIE SAN (10) showed a return to form with a pleasing effort and can get involved. RIVOLI (7) hasn't been far off in recent runs and can earn.

**4. BELHARRA TOWN** - Was 5th at Dax on the 19th of May over 2100m in a claimer and will need to do more to win this. Others are preferred and rather wait for improvement. Happy to ignore

**5. NORTH BREEZE** - Has been competing in Spain and could need this local course debut run. Finished 3rd over 2000m earlier this month. Can be left over

**6. JONH LEMON** - Will need to progress on last run when only 8th over 1700m on the 13th of July and others are preferred for the shortlist. Can pop-up if in the mood

**7. VENDOME** - Others are preferred and would be an upset if placing. Happy to ignore from all bets

**8. ELVIRIA** - Huge scope to build on local debut when 6th at Chantilly and has to be taken seriously. Good chance and a must for all bets

**9. LORETTEDESOUCHEZ** - Two fair efforts thus far, placed 5th over 2400m last time out and should be able to win soon. Good chance

**10. GYP SEA** - Placed 4th at La Teste over 2000m in a similar race on the 12th of this month and can earn again. Strong place claims

**Summary:** XTRALEEWAY (3) comes into this contest boasting a recent win at Mont-De-Marsan over 2450m mid-month and can certainly follow up. GYP SEA (10) has fair overall form in this class of race and can finish in the first three. Big place chance. ELVIRIA (8) has just had the one local start in France and has potential to improve a lot off that. FIRST CUNCERT (2) is lightly raced and if bouncing back to debut 3rd, then can earn.

**C6 - PRIX F. DUCASSOU - 2100m (a1m1/4) - TURF - Maiden Race - Flat -  
EUR € 15,600**

**1. TAMAGHU** - Finished 4th at Tarbes over 2100m on the 19th of April and might need a run or two to tighten up. Could run fresh and well but others are chosen

**2. CHATEAU ESQUIULE** - He is a model of consistency, looks ready to win and is the first suggestion. Last run was 4th at La Teste over 2200m on the 26th of last month. Strong winning chance

**3. ORISSON** - Excellent last run when finishing 2nd at La Teste over 1800m on the 27th of last month and has a serious chance here. Include in all bets

**4. FANTASTIC CHARM** - He has had three runs in Spain and will need to improve a ton on what we saw there. Finished 4th at Madrid over 2200m last time but let's wait and see what he serves up today. Happy to ignore

**5. OCEAN KINGDOM** - Has finished way back in both starts thus far and will probably be the hugest outsider in the race. Would be a shock if placing and can be ignored from all bets. Pass by

**6. GRANDPA CEN** - Finished 9th on debut at La Teste over 1800m in mid-June and can improve off that. Should be respected as outside place value for the quartet

**7. ADA THORNE** - Ignore last run, caught the eye on debut when 4th at Saint-Cloud over 2400m and if bouncing back to that, will go close

**8. AMITY** - She placed 2nd at Castera-Verduza over 1700m in the middle of this month and can provide plenty cheek at the finish. Strong each way chance

**9. DADEICOS LAER** - Is by Le Brivido out of a 1-time winning mare that might be able to go well first up. Watch the betting trends as race time looms but prefer others this time. Pass by

**10. RAZAMIX** - She is a daughter of Gemix out of a Astarabad mare that might need a few runs to learn what racing is all about. Watch the market as race time looms

**Summary:** CHATEAU EXQUIULE (2) has placed 5 from 8 and looks ready for a bold winning run. He was 4th at La Teste in late June and can race fresh and is therefore the firm first choice. ADA THORNE (7) caught the eye on debut but fluffed the lines next time out. She, surely, can do way better than that and has a good each way chance. ORISSON (3) ran the best race of his career last time when showing up second and it would come as no shock, if he were to go one more. TAMAGHU (1) is a must for most bets.

**C7 - PRIX R. DE MONBEL - 1400m (a7f) - TURF - Maiden Race - Flat - EUR  
€ 11,900**

**1. BARBAGGIO** - Placed 3rd over 1525m at Montauban on the 15th of June and can build on that. Could be the outside place value for the quartets

**2. MASDREAM** - Overall form is patchy and uninspiring over various tracks and trips. Hard to make a case for and would be a shock winner. Pass by

**3. LORD LARACHE** - Makes his local debut after a smart performance over 1400m at Madrid on the 28th of June and could go very close first up here. Big chance

**4. PICCINELLI** - Taking time to get close to winning and is becoming costly to follow. Last start was back in 6th place over 1700m. More needed and is hard to make a case for

**5. PENAGOS** - Makes his French debut and may need a few runs to acclimatize. Form shown thus far is not fabulous which makes it tough to predict how he will shape first up here. Happy to ignore

**6. DRACO** - He can serve up way more than recent 10th place finish at La Teste over 1800m in a stiff Handicap on the 26th of last month. Bright leading chance

**7. POTITA** - Was way back near the rear of the field last time when 13th over 1400m in a Handicap and shown very little thus far. Cannot be fancied on form

**8. BONDINI** - She will need to progress on last effort when 6th at Nantes over 2400m in May. Might need the run but can race fresh and well. Respect

**9. AL AAMRIYA** - Long time maiden, ignore last run, finished 4th at Dax on the 9th of last month over 2100m and will be a huge chance based on that alone. Serious contender here

**10. MARQUISE VERA** - Taking forever to get it all right and has become costly to back. Finished 4th over 1700m last time and can get into the mix again. Each-way contender

**Summary:** DRACO (6) is taking time to pass the line in first place but is nevertheless earning good stake money for his connections along the way. He can build on his last few starts and in turn, be expected to do way better this time. AL AAMRIYA (9) was 4th at Dax in her penultimate start but is a tad erratic and hard to assess but remains a good each-way option. MARQUISE VERA (10) has a place chance and BONDINI (8) is worth including in on the shortlist for the quartet.

## C8 - PRIX ALPHONSE CAMPET - 1400m (a7f) - TURF - Class 4 Claiming - Flat - EUR € 15,400

**1. EL BOSNIA** - He was 7th last time but victorious before that when seen at Madrid over 1100m on the 14th of last month. A must include for the quartet

**2. LAUPER** - She was 5th at Mont-De-Marsan over 1400m on the 16th of this month and has fair overall form albeit in this class. An outsider that has a small place claim

**3. SIGMUND** - Placed 2nd over 1700m at Castera-Verduza last time and could put in another competitive run. Respect and include if choosing to play this race wide

**4. NORDESTE** - Ignore last two, finished 3rd at La Teste over 1600m in a tricky Handicap before that and has fair overall, earlier form. Strong each way claims and can win

**5. MANGAKEN** - Was a winner 5 starts back, finished 7th last time over 1400m in a Handicap and is certainly capable of way better than that. Good chance

**6. DOCTOR RON** - Ran a much better race last time over 1400m at La Teste in a weak claimer when finishing 4th and can do a lot more today. Serious claims

**7. MEC PLUS ULTRA** - Was a winner 4 races back but his form since then has been on the severe downward spiral and it is therefore hard to make a case for him. Would be a shock if placing

**Summary:** NORDESTE (4) can be forgiven for the last two dismal efforts and judged on very solid earlier form. He was a winner four races back over 1400m at Dax and is a live chance here. DOCTOR RON (6) is a tad erratic but on very best form can go with this. MANGAKEN (5) ran a bit below par last time at La Teste but can be expected to serve up way more this time. EL BOSNIA (1) has done some travelling of late and if that has not taken too much toll on him, then should be very competitive.

### SELECTIONS
