2 Kueen Simoni competed in the V75 last time and got locked in with plenty of energy spared. She hasn't won a race for a while, but her form is top and from this starting position the mare should have a good chance of winning. **7 Randy Zon** finished strongly after a gallop in the last race and should be seen as the biggest threat to our pick. **1 J.J.Snowstorm** has a nice starting position and can open fast. Should be considered even if the form is a bit hard to predict. **5 Chloe Broline** is a quick starter and will fight well from the lead.

5 Grevinnan Stöen has won two of six races this year. Most recently she scored an easy win and the mare is ready to set a new record. Our pick. **3 Hå Ella** did alright in the last race, finishing sixth in the final of the Norwegian Stokriteriet. Easier opponents now. **6 Fakså Ö.K.** has shown an increasing form curve of late and with the right trip she shouldn't be discounted. **7 Lille Rose G.L.** did well in the last seasonal debut and will be improved this time.

6 True North took his first win two starts back after a nice trip from behind. Strong finisher and early choice. **1 Konnässör** has been consistent and good. Can hardly hold the lead from be, but should be considered anyway. **2 Lorenzo Coger** has got defensive journeys lately. Makes his debut over the long distance, but that is hardly a disadvantage. **4 Wing Profile** has done well of late and last time the mare got locked in with energy left. Should not be underestimated.

8 Coin Master got a tricky start in the last race but came back strongly. He has been a scratch after that but if he hasn't lost too much of his nice form he should have a good chance. **9 Scorpion Tile** has met tough horses in the V75 at the end, but is normally in the mix in this type of race. **5 Diamant Vendil** is a quick starter and goes for the lead here and in that position he has won four out of five races. **10 Nikylon** came too late in the last race and finished second behind Diamant Vendil. He passed many opponents at the end.
