4 The Olympian looked defeated when she galloped in the last race. Otherwise on the way up. Can open fast and in a wide open race she should have a good chance. **5 Notorious Jog** was nice in his comeback after a layoff last time. Certainly improved by that run under his belt. **2 Yagger Kemp** was a good second in Norway in the last race. Nice capacity and is a contender behind the favorite. **9 Classy Mayday N.L.** was very good in the last race and should not be overlooked.

2 Bjørli Lizzie has done well so far in her career. She scored her maiden in the third start and has since had some nice podium finishes. Good chance. **14 Ellvåk** is very capable but anything but reliable. If he trots all the way he should have an excellent chance to defeat all opponents here. **5 Yr Odin** has started well so far, but is very inexperienced and this 20 meter handicap makes the task difficult. **3 Salte Balder** makes an interesting debut for a new trainer.
