V4 ATG

RACE 1 — V4-1 — Volt 2140 — RANK

3 Brenne Viktor has won three out of the last four races and done really well. A bit tricky number but Ulf Ohlsson is a top driver. Youngest in this field but good chance. **1 Bato Odin** comes from two surprising wins and will probably get a good trip from here. Driventhis time by Tomas Pettersson. Early. **14 Wilda** faces a 40 meter handicap but is good for this company and hopes for quick pace from here. Should not be overlooked in that case. **11 Monster Loke** is worth a warning. Finished nicely to a second place in the last race and this time Rikard N Skoglund is in the driver's seat. Outsider.

RACE 2 — V4-2 — Volt 2140 — RANK

1 Identical Chip is our pick. She hasn't won yet but done quite well and she is our slight favorite for the lead here. **3 Chakra J.** challenges for both the lead and the victory. She is the least experienced with only three starts and has taken one win and a second place. Contender. **10 Goosebumps** faces a 20 meter handicap but is good for this field. Comes from a win and was not empty as fourth in a bigger race two starts back. Should be considered early. **8 Fame Vendil** has had a pretty good season. She comes from a bigger victory and won easily. Should not be overlooked again despite a tricky lane.

RACE 3 — V4-3 — Auto 1640

7 Rocket Tooma is our pick in an open race. Oskar J Andersson's horse has not won yet this year but has put in several consistent and good performances. Tricky number. **4 El Jefe** is much better than the latest results show. Got locked in after a gallop in the last race and was matched in tougher company before. Good lane. **5 Happy Girl** has had a decent season so far without winning. Is clearly interesting now in this debut for Jennifer Persson and is driven by Ulf Ohlsson. Can open fast. **12 Belina Times** is a German horse that has made two starts in Sweden. Won from the lead two starts back and finished alright in the last race. Thorsten Tietz this time.

RACE 4 — V4-4 — Volt 2640

11 Don E.Star galloped in the last V85 race but scored two good wins in a row before that. Beat Jaguari Ima two starts back after a perfect trip. Good chance despite this 20 meter handicap. **6 Jaguar Ima** is a good challenger. Has been consistent towards the end in tough company. Was third from the front behind Don E.Star two starts back and is looking for revenge. Interesting lane. **1 Sundancekid** comes with three consecutive third places and has done well. Will probably get a good trip from this lane. **10 Supernova Lyjam** had a really good season last year. Only one third spot this year and is now returning after a long layoff. Ulf Ohlsson is interesting. Outsider.
