4 Anna Montana had a similar number when she won on Gävle two starts back. If Peter G Norman finds the lead again here they should have a good chance. 5 Graces Candy is on the way up again and won easily in the last run finishing 11.5/800. Early contender. 1 Thelma M.M. has got a longer break. The horse is better than the latest results show. Is well drawn behind the gate. 2 Sister of Mercy has raced a lot. The form is a question mark but she is really good every now and then. Outsider.

7 Le Sano won directly after a long pause in the last run. She was allowed to dictate the pace in the lead but looked nice too. Should be improved by that run. 12 Dance to Music found room late on November 12 and was not empty then. Has been a non-starter after that and the form is a question mark. Has good skills. 8 Ginsburg could get a nice journey on the inside here. If he finds room in time he could score the first victory. 1 Ant Face failed on Solvalla. Showed quite good speed last summer. Outsider.

4 E.V.Angie did alright from behind the leader in the last run. Had got a break before that and should be improved now. Our pick. 1 Speedy K. put in a strong final 800 meter from far back in the last run. Deserves a victory and is better drawn this time. 3 Sommarskuggan made her debut for Emilia Leo in the last run and won directly. Longer distance now but that should not be a problem. 10 Innersniffen has not raced a lot the last six months. Has good speed for this class.

2 Milltag has scored two wins on Bjerke after an early lead. Has finished 12-13/500 meter and should be considered early in Sweden as well. 10 Gingras has not been at his best in two starts after a layoff. Can do better than that and faces quite easy opponents here. In the mix. 3 Kiss Money was second after a pause in the last run and looked quite nice. Good number here and has to be considered early behind the favorite. 4 Buzzed Driving is better than the latest results show. Showed good speed in between mistakes in the last run.

2 Mr Brilliant is interesting in this comeback. As a four-year-old has competed in a Derby trial won by San Moteur. New trainer now and he is well drawn. Our pick. 4 Black and Quick has three runs under his belt after a layoff and is on the way up. He got a tough final 800 meter in the last run and scored a strong third spot. 1 Enge Sargon has not started since September. He does not win very often but this number is nice. 9 Hemisphere makes his debut for a new trainer. Could get a nice defensive journey with this number. Has to be followed.

6 Likeaboss put in a strong final 1100 meter on Solvalla at 11-pace. Has seven wins in 16 starts so far. Good chance again. 3 Alberto Ray had a tricky number in the last run but kept up the pace well at the end. Is in good shape and faces nice conditions here. 1 No Mare Z.A.R. was unlucky with 500 meter to go in the last run. Came back alright after that and is better than the latest results show. 11 My Dream Art needed the last race after a layoff. Is tough enough to beat many opponents here.
