5 I'm Still Standing did well in the last mini comeback, finishing second. She has probably been improved by that race and from a good number she will be hard to beat. **7 Kismet K.** is not completely reliable, but when she is at her best she can win this race. **4 Chocolicious** has done really well after a long break from racing. Scratch after the last race though and hard to predict. **3 Princess Beluga** is a quick starter and will reach a nice position. Has to be considered even though she prefers the short distance.
