6 Pop the Cork is our pick in this two-year-old race. Was second in the debut after a quick finish. Our pick here. 3 Donatello Face is well drawn and Oskar Kylin Blom uses to have his young horses well prepared. 5 Luisa Sisu won her debut but met quite easy opponents then on Lindesberg. Has to be considered early again. 7 Melba Westwood has got a tricky number behind the gate but that should not be a big problem in this type of races.

6 Farmens Riska got defeated after a couple of wins in the last run but put in a good effort anyway. Faces a handicap over the short distance but this field is very small. 3 Målbo Vanja has been on the way up lately and comes from victory. Is driven by Mats Djuse again and has to be considered early. 5 Bork Tekla is not reliable at all. Has good speed and is interesting here driven for the first time by Örjan Kihlström. 1 Klack Älva is consistent and good. She has place chance again.

6 Click Bait was not at his best in the last run. Faces normally perfect conditions here over the short distance but the form is a question mark. 3 Sorbet is a twelve-year-old who is back in good shape again. Comes with two straight wins and was not empty at the end in the last run. 5 Chestnut Hill is consistent and good but does not win that often anymore. Good chance to be in the mix here with the right journey. 4 Super Zantos is 13 years old but still going strong. He uses to match tough opponents. Place chance here as well.

6 Ängspuma won comfortably in the lead on September 1st. Tight starts now but we think she will handle it well. Our pick. 2 Sjö Kosa galloped with 500 meter to go in the last run. If she stays calm she should fight for victory. 7 Wilda Astrid got locked in two starts back but won the race after. Is in good shape and should not be overlooked here either. 3 Norrlands Lykta galloped after one lap in the last run but could score a nice second spot anyway.

The horse has been improved this season as an eleven-year-old and faces nice conditions again. 3 Stjärnblomster is speedy and has won six out of nine starts this year. Should reach a nice position in this small field. 5 Bellfaks has not won yet this year but was improved in the last run. Could be in the mix here. 1 Ard gave up in the lead in the last run and was not at his best. Can do better than that.

Was not at his best in the last run but should be considered early in this company. 5 Västerbo Ajax won a V75-race despite an early mistake in the last run and was really good. Has to be considered early this time too. 8 S.I.P. has by far earned most money in this race. Was not empty at the end two starts back and could cause an upset with the right journey.

11 Olga Tooma got a defensive journey from far back in the last run. Got locked in with energy left and should have a good chance with a more offensive trip now. 7 Dior Lilly has only one win this year but she is worth a warning here. She can open fast and could lead this for a long while in the lead. 12 Honfleur Mearas galloped in the last debut for Wäjersten. Without a mistake she is good enough to be in the mix in this company. 5 Thelma M.M. galloped with this number two starts back. Is in good shape. Outsider without a mistake.
