## RACE 1

Volt 2140

**10 Alexi La Ma** is our pick here. She looked nice in the debut and never found room at the end. Should be even better now. **3 Global Empress** had to trot outside of the leader the first 500 meter in the debut before she took over the lead. Was pressed the last 500 meter and did alright. **1 Chicolina** got a nice trip in the debut and we think she is even better now with this number. **2 Whatabill** galloped twice in the debut. In the last run she finished well.

## RACE 3

Volt 2140

**12 King Sober** is the less experienced horse with only one run under his belt. Got a short break before this race. **3 Ollis Elvis** got a tricky journey in the last run. Had energy left against good horses when he galloped in the race before. **10 Go Hard or Go Home** has started his career well. Won from outside the leader on September 1st.

Has met tough opponents and is interesting here. **9 Äkta Lavec** is good enough to be in the mix. Gallops a lot but has one run under his belt now. New break before this race though. **7 Giovanna Coger** is consistent and can open fast. Has won eight out of 20 races. ## RACE 7, V86-3

**Auto 2140**

**5 Milles Tobin** is probably the best horse in this field. The gelding has not started for a while and is interesting here in the debut for new trainer Joakim Lövgren. **3 Veyron Bros** scored an easy win in the lead two starts back and looked nice. Was not as good in the last run despite a perfect journey. Will probably reach the front. **11 Here's Johnny Sox** scored a good fourth spot against tough opponents in the last run. Put in a good effort two starts back as well. Should not be overlooked here with the right journey. **9 I Am D.** has only scored one victory in 29 attempts. Has shown good strength though and put in a good effort in the last comeback race.

Has put in many good performances lately. Showed good speed after a mistake in the last run. Was very good in two races the same day on July 29th. **6 Warrior's Tale** is our favorite to reach the front. He beat very good horses in the last run. Has been a non-starter after the last run though. Has to be considered. **8 Gladiator D.K.** is a nice horse from Denmark. Quick starter and has won eight out of 29 races.
