**14 Bleke Best** has earned the most money in this field and done well. Galloped twice in the last race, but showed very good speed and finished sixth. This 500 meter longer distance should be an advantage and the horse has to be considered early. **15 Lannem Sokken** is the main challenger. Has won half of his twelve starts and is coming more and more. Despite a bad lane he should have a good chance. **12 Skjegge Rosa** is not reliable at all. Has very nice speed. **10 The Drageløperen** has two straight wins.

**5 Lazy Lane** has won half of his 14 career starts and impressed. Hasn't convinced lately but is the one who stands out a bit in terms of capacity in this wide open race. **2 Synjo Accelerando** has a nice chance too and will be driven by Tom Erik Solberg, which is interesting. **4 Kvåles Corona** is not that bad but the form is a question mark. Contender but needs some racing luck. **8 Billiondollar Rags** won nicely last time. On the way up.
