6 Sacrableu was a bit slow and not very impressive as heavily backed in the seasonal debut, but he seems to be on the way up . From this lane he has a good chance of reaching the front and once there he is the horse to beat. **3 Fourcade Liss** showed the right attitude in the last race when he was defeated in the final turn and countered over the home stretch. Still developing. **7 Perfect Dream** is Tomas Pettersson's choice out of three horses in this race. The four-year-old hasn't fully delivered, but there's more to come. **5 Sigel End** made a strong recovery last time. Early contender without a mistake.

12 Bork Grandi has started his career very promisingly and been very consistent. This starting position is interesting and the opposition is clearly manageable. **5 Finnskog Zena** finished well in the last race. Improved by that run under his belt, is quick from the start and should have a good chance of taking the lead despite this number. **13 Bäcklös Maja** showed very nice speed resources last year and has a useful run under her belt. **7 Nordlilja** has shown good capacity for this class, although she is far from reliable.

3 Grand Ready Cash was matched in very tough company last year. Was not at his best in the seasonal debut, but faces a very nice task here and will fight for victory. **5 Hankypanky Pinkman** returns after a long absence for the new and old trainer. The eight-year-old has high peaks, but is up and down and the form is hard to predict in the comeback. Has to be considered. **4 Red Hot Roadster** was strong in the last race and is one of few with fine form in this race. **6 Cab Frontline** is in good winter form and got locked in with plenty of energy left last time. Djuse now.

10 Nytomt Amira has been extremely good in much tougher companies than what she is currently facing. Delivers every time and when she now faces only mares over perfect conditions, she should have top chance. **9 Brenne Viktoria** has sky-high capacity and is developing with every start after being among the top of her year in previous seasons. **5 Sjöli Fryd** is trainer Steinseth optimistic about and with the last run under her belt, she should be significantly improved. **8 Ethel** is matched in tough companies and faces nice conditions money-wise. The form is a question mark though.

6 From The Hip was clearly approved from the lead in the seasonal debut. The race should have lifted the form considerably after a whole winter of training. Considering the opposition he faced last year, he should have a good chance despite this handicap. **3 Lamborghini C.Boko** didn't look empty over the finish as locked in last time. Could be even better now and the eight-year-old opens fast and faces nice conditions. **5 Top Dog** is possible too but the form is a question mark. Prefers to run in the lead. **7 Everglo Lemon** uses to finish strongly.
