8 Hage Jerven is consistent and good and showed fine form in the last race. Won in the lead then but he is good from the back too. 5 Rigel Öyvind set a new record in the last race. Can open fast and should get a nice journey. Will challenge for victory. 6 Haukeli Expressen put in quite a good effort in the last race a bit behind the winner. Faces good conditions money-wise here. Outsider. 4 Mos Lomen had not raced since December 2019 when he made his comeback in the last run. Scored a strong fourth spot then and should be even better now.

10 Åsasvarten is our pick in this open cold blood race where an upset is possible. Comes from a good win but is not reliable. 8 Mykle Kaisa has become a non-starter a couple of times lately since she has been hard to regulate. Is in other words quite tricky but has good speed for this class. 9 Jippi should not be overlooked. Was fourth after a quite a good effort two starts back and should be considered directly after a break. 4 Bovis Tobias is in good shape. Does not win very often but is possible here with some racing luck.

5 Nume Bris scored a nice win in the lead three starts back. New record over the short distance with the circular start in the last race and is in good shape. Our pick. 3 Borkeld found the lead after 500 meter in the last run. Was heavily pressed but could win comfortably. Will challenge for victory again. 2 Hoppestuss Pila R.S. can open fast and has run in the front in the last two races. Possible behind our top duo. 4 Åse Jenta lost her good form in January. Resumes from a spell now and has good capacity for this class.

4 Cool Canadian has two runs under his belt after a long pause and seems to be on the way up. Uses to meet somewhat tougher opponents and should have a good chance here. 7 Maxundalex got locked in with energy left two starts back. Faces nice conditions money-wise and is an early contender here. 10 Draco Braz Minto won in the lead in the last race. Different number now but is in good shape and has to be considered early again. 8 Polar Rocky has got a tricky number but with the right journey he should not be overlooked.
