**5 Brilliant Tilly** sprinted to a good win at Bjerke two starts back but galloped twice in the last race. Good lane and our tip. **6 Espri Vendil** returns after a long layoff. Interesting with Björn Goop. **11 Iaintnoquitter** won his only race in Sweden last June and is coming off two wins in a row. Poor draw but could get an offensive race. **7 Javelle** has shown good form in two races after a break. Won with this driver two starts back. Tricky number.

**2 B.A.S. Philip** is our idea in this cold-blooded race. He took six victories last year and has previously won with this driver on today's track. Good chance. **10 Nord Äge** is perhaps the best horse. Won five out of nine races last year and has one run under his belt now. Tricky number and handicap though. **5 Tryll** won from the lead in the last race and will probably go for that position again. In that case he is an early contender. **12 Ei Lita H.M.** is worth a warning. Has shown good speed and was third last time despite a mistake. Hopes for quick pace.

**4 Leglogin** is interesting here in his seasonal debut for a new trainer. Previously trained by Per Linderöth who is going to work for Björn Goop. Nice horse but a bit up and down. He is certainly well prepared. **8 Benita Winner** was a good runner-up two starts back and got locked in with energy left in the last race. good form. Challenger. **3 Roy Holger** got locked in after an inside trip in the last comeback. Certainly better now. Early choice. **11 M.H. Hot Cash** comes from Norway and scored a very nice victory in January. Not at his best last time as a favorite. Revenge?

**4 O.M.Keep On Runnin** hasn't raced since December but is our pick straight away. Is good for this company and has one out of one with Björn Goop. Goes for the front? **1 U.S.Marines** is also making his seasonal debut and should be considered straight away. Robert Bergh will probably try to hold the lead and in that case he has a good chance. **9 Fossens Wilma** is quite good but has not raced since July and could need this one. She will probably get a nice defensive trip from this draw. **11 Zlatan Gertorp** won directly after a layoff in the last race and is now driven again by Ole Johan Östre. Outsider.
