10 Grim has always shown great capacity. Three starts for the new trainer have resulted in two wins and it seems like they have found the right way with the six-year-old. Our winner. **1 Guli Stina** is very capable for this class and faces nice conditions here. Even if she is not in top form just now, she is good enough to win. **5 Ellbert** has shown high capacity on many occasions. Started the year well and is developing strongly. **7 Norrlands Jerven** has not raced for a long time. Has good speed and Djuse has earlier been successful with the nine-year-old.

12 Sixten R.G. has galloped in all starts but is not that unreliable. His last effort was really strong and now he should get a trip from behind. Our pick in an open race. **3 Gerda H.L.** faces good conditions and has started her career well. Set a nice new record in the last race and should be in the fight for victory with a similar performance. **9 Olsims Elise** has shown good speed and ended last year with a win. Run under her belt. **11 Dalstad Ask** led every meter in the last race. Started the year well and has got a new trainer now.

9 Linus Boy is getting older but is still the best horse in this field. Carre travels to Östersund and with a similar effort as last time they should have a good chance. **9 Mellby Kaliber** makes an interesting ridden debut and if he just lives up to his capacity, he should be in the fight. **4 Västerbo Adventure** likes to race under the saddle and knows the jockey well. First time with ear plugs now. **8 Southridge Jeremy** is in good form and has not missed the podium in this discipline in four starts.

9 Järvsö Rikard comes with two victories and has won half of his eight starts so far. Tight starts is a plus and good chance of a third win in a row. **8 Alm Vinni** won easily from the lead in the last race after a layoff since September last year. With that run under his belt, he should be even sharper now. **1 Tåsjö Teddy** is better than the results show and even though it is his debut behind the gate, he has shown good speed. **4 Sol Eld** is not completely reliable but has shown good capacity. In the mix.

3 Locked In has now got a run under his belt. Is a quick starter and from a nice draw he should have a good chance. **5 Sir Alex** got locked in with energy left at Solvalla in the last race. More strong than fast and can do it tough and as long. Main challenger to the stable companion. **6 Happy Godiva** is good for this class. Interesting change of the bridle this time. **7 Timotejs NiceTime** has shown good speed and capacity but needs some luck from this position.

5 Flight Sequence faced much tougher company in the last race and kept up the pace well as fourth. He has shown good capacity for this class and with his quick start we expect him to challenge for the lead, a position he likes to compete from. **6 Global Flagship** can open fast from the start but also finish sharply. Barefoot for the first time. **3 Must Be Heaven** scored a very strong win from the lead and will now race barefoot for the first time in his life. **8 Annuncio Helvin** was strong in the last race. Run under his belt and certainly gets an offensive trip again.
