1 Let's Go Crazy scored two out of three wins last year on the Bro Park turf. Shorter distance in this seasonal debut and our pick in this Stewards Cup. 2 Astron is the title holder in this Stewards Cup and is the main challenger having one run under his belt now. 3 Brian Ryan does not win very often but was second to Astron in this race last year and faces better weight towards the latter one today. 6 El Camino was simply the best in the seasonal debut after a convincing win in the front. Possible despite tougher weight.

12 Yukochan was second on three occasions as a two-year-old against quite tough opponents. First start on turf but nice task. Our pick. 4 Bearthanks is well bred for this kind of race and showed quite good skills in a couple of starts last year. Possible challenger. 3 Green Zabeel did alright on this surface in the last race in Gothenburg for fillies and mares. Possible. 11 Exceed Pleasure has one race under his belt and was one length behind stable companion Stella Kalejs. Typical outsider.

8 Kick On has got a different start of this season and did not compete in Dubai. Is good for this class and should have a good chance on the way to Stockholms Stora. 3 Like A King is almost as good as Kick On and last year's two wins were scored over today's conditions on Övrevoll. Main challenger. 7 Admiral De Vega is a four-year-old who scored all three wins last year over these conditions. Outsider. 4 Valence is tough and faces nice conditions here. Will go for an early lead and likes quick pace. Always an outsider.

Contender. 13 Thunder Sea is well bred and scored a couple of impressive victories. Possible. 7 Ninasimone put in a strong effort and won on this surface in the seasonal debut last year.
