6 Heavenly Zet is very interesting in this debut. He is a son to top mare Delicious U.S. and the expectations are high. Nice number too. 7 Our Pride makes his debut for the Timo Nurmos stable. Those horses use to be well prepared. Has to be considered directly. 4 Nectar Occagnes has got a tricky number four in this circular start but if he avoids a mistake he could be in the mix. 1 Freddan J.E. should get a nice journey with this number one in the debut. Has to be followed in the warming-up.

1 Willfaksen makes his first start in Sweden. Found the lead but gave it away in the last run and kept up the pace well. Will probably be driven in the lead this time. 11 Prinsen af Sola faces a 40 meter handicap towards our pick and needs some racing luck here. Early mistake in the last start but scored a couple of nice wins before that. 4 Lome Lotus is consistent and good. Has been at least third in five starts so far. 12 Bol Lena is chasing the first victory. Has galloped lately but owns good speed.

7 Say No More Zaz galloped from outside the leader with 500 meter to go in the last run. Is not reliable but if he avoids a mistake he should have a good chance. 1 Ringo Adore galloped directly in the seasonal debut. The chances are not easy to predict but thanks to the good number and good driver he is an early contender. 9 Natural Mine beat quite easy opponents in the lead in the last run. Is developing well though and should be followed here too. 6 Maya Exclusive set a new record in the last run after a mediocre performance before that. Outsider.

2 Aurelia Express makes her seasonal debut here. Was second in Oaks last year and Nurmos uses to have his horses well prepared. Our pick with this nice number. 6 Bonneville W.I. belongs to the same stable as our pick and won Oaks last year. Galloped in the seasonal debut and the chances are not easy to predict. 3 Xerava C.D. won a Breeders Crown-race this day last year. Resumes from a long pause. Contender directly. 1 Ninepoints Birdie should be improved by the last seasonal debut. Has good skills and is well drawn.

4 Brolotta did not trot well in the last start and got a break. She won the last time driven by Örjan Kihlström and is our pick here. 1 Lykkje Prinsessa has got a nice number and won in the lead on Jarlsberg three starts back. Early contender. 6 Bork Tindra belongs to the same stable as our winner but is the pick of trainer Westholm. She does not always trot perfectly but has good capacity. 11 Eldida got a tough final lap in the last run. Possible here with a better journey.

8 Loke Sancy Diamond comes from a convincing win in Guldstoet on Axevalla. Finished strongly from far back then and showed that she can do it tough. Our pick despite this number. 10 Monroe Wine was not empty when she won two starts back finishing 11/800. Was third behind our winner in the last run and will challenge again. 3 Notre Dame Boko is the less experienced horse in this field with only three starts. Has got a nice number though and she is developing well. 2 Larah Westwood has not convinced lately but is a lot better than the latest results show.

Has eight wins in 21 starts and is better than the latest results show. 2 En Garde has been at least third this year. Could lead this for a long while.

4 Stens Rubin is a promising horse trained by Johan Untersteiner. Is still undefeated after three starts and makes his debut behind the gate now. Nice number and our winner. 11 Västerbo Exciting comes from a very convincing victory and new record. Is nice and the main challenger. 2 Nolana Boko won easily in the last run and showed promising skills. Perfect number and should be considered early. 9 Katzenjammer scored a good win in the lead in the last run. Different number now but should not be overlooked with the right trip.

3 Milliondollarrhyme is our pick in this traditional Midsommarloppet. He never got a real chance in the last heat to Sweden Cup and looked nice. 5 Best Ofdream Trio started in Elitloppet but opened very fast there and gave up at the end. 2 Revelation is very gifted too. Looked tricky in the last seasonal debut though. 8 Admiral As makes his second start for Redén. Will probably get a defensive journey and this number is tricky.

He can do it tough and should be considered early here. 8 Winner Brodde took over the lead after 500 meter in the last run and won easily. Early choice despite this number eight. 6 Game Brodde is consistent and good. Had got a short break before the last run and should be improved by that race under his belt.
