3 Comedy gave up at the end in the last race but had done really well before. Wins often and can open fast. Good lane and our pick. **9 Önas Samanta** competed in the V85 last time and did alright. Scored three good wins in a row before that. Tricky number but early challenger. Barefoot now. **2 Almon Remix** has galloped in two starts after a layoff. Is good for this company and has got an excellent lane. Barefoot now! **1 Sacrebleu** hasn't won for a while but is better than the latest results show. Good lane and fast from the start. Will probably get a good trip.

7 Järvsö Britt Marie gets the tip in this mediocre cold-blood race for fillies. She has only one win in 27 starts but faces easier horses this time. **1 Stinas Saga** is making her debut in Sweden and has a nice task. Will certainly take the lead here and was second in the last race after a long layoff. **9 Nons Ängla** is quite consistent and she will also face weaker opposition than usual. Has to be considered. **5 Olsims Elise** was close to win as second in the last race and did well. She resumes from a short break. Outsider.

1 Guided Tour faces good conditions as a filly and clearly earned the most money last year. Has got locked in at the end and is clearly better than the latest results show. Can open fast and is our close favorite for the lead. Marcus Lilius drives. **5 Grand Eagle** has started well this season. Didn't convince last time but can do a lot better. Good lane. Early choice. **11 Dats Pepino** has two wins in six starts this year. Has won from the lead but has to attack from behind now. Has only started over the short distance recently. **7 Caliber by Teda** won at today's track in March. Comes from a second place and seems in good form. Outsider.

6 Fabulous Boy is our idea here. He has shown good form of late and looked nice in the last race but got locked in. Can open fast and has a good chance with the right trip. **1 Sighni Burge** is a quick starter and will probably get a good trip from here. Shared victory in the last race and is driven this time by Jomar Blekkan. **10 Conrads Palle** is one of the best horses in this race. Faces good conditions and met tougher opposition last time at Solvalla. Hopes for quick pace. **9 Mando Gowan** earned more than half a million Swedish crowns last year. Didn't get a chance in the last V85 race but had put in several good performances before that. Tricky number.
