3 Callmebymyname won over these conditions in June with today's jockey Jacob Johansen. Our pick in this open Silver handicap. 1 Luna Kalejs was beaten with one length by Callmebymyname in the last race. One kilo up towards the latter one today. Main challenger. 2 Silvana is on the way up and faces nice circumstances here. Possible but she has not convinced so far when traveling. 7 Grimeford Lane scored a well deserved win two starts back closely ahead of Callmebymyname. Should not be overlooked.

3 King David comes from a comfortable win in Stockholms Stora Pris. This shorter distance should not be a problem. The stallion should have top chance to win. 5 Match Maker was not at his best as the title holder in Stockholms Stora a couple of lengths behind King David. Can do better and is normally a challenger. 1 Like A King did not impress in the last race in Malmö and did not finish at the end. Showed good turf form before that and is a typical outsider. 4 Valence faces nice conditions here and showed good form in the last Challenge Stakes. Place chance.

6 Master Bloom has been matched against tough opponents. The form is a question mark but he faces perfect conditions in this Open Handicap. Normally an early choice. 5 Captain Chorus is possibly the stable's second choice but he beat Master Bloom in Oslo Cup. Challenger. 4 Espen Hill likes these conditions a lot and has earlier shown good form directly in the seasonal debut. Should not be overlooked. 1 Enge Hazard get a strong jockey here but faces tough opponents too. Place chance.

4 Skyraider has been heavily backed twice in a row lately without winning. Did alright in the last race a bit behind winning Snowstorm. Our pick. 7 Linda Lou was just closely defeated by Skyraider two starts back and did alright in the race after a couple of lengths behind Mahalia and Vila Nova. Challenger. 1 Perfect Plan A has not impressed lately and is mainly an outsider here. 5 Paakame Enki does not race very often. Won the seasonal debut in May and has good capacity. The chances are not easy to predict.

6 Fru Petrel comes from a promising effort in the debut on turf after a short pause. Should be even better and is our pick in this tricky Maiden race. 4 Innana Sacc comes from a nice second spot behind Credit Card over these conditions. In the mix here with a similar effort. 1 All About Fun is developing well and Elione Chaves this time is very interesting. 2 My Name is Alice did alright in the debut in Gothenburg. Oliver Wilson again and possible if improved.

5 Brian Ryan does not win often but has been consistent and good against tough opponents. Our pick in this open Stewards Cup. 7 Backcountry faced tough conditions in a Silver race in Gothenburg but handled that well and the ten-year-old won comfortably in the lead. Early contender despite tougher weight. 4 Astron is in quite good shape and was ahead of Brian Ryan in their latest meeting. Tougher weight now but possible anyway. 6 Rubinstein faces nice conditions here and is in good shape.
