Only five horses here. They are still going strong. 1 **Top of the World** finished to victory in the last race and showed good form. Can open fast and is ideally drawn. Hard to beat. 3 **Cupido Sisu** gave up in the lead in the last race and the form is a question mark. Is fast and chases the front again. 5 **Hesiod** does not win often but uses to be in the mix. Challenger in this small field. 2 **Stay Alert** is really good every now and then but will find it hard to beat his stable companion and our pick here.

8 Conrads Gregor is really good for this class but he does not always convince and the form is a question mark. Normally he should beat these opponents. 9 Yakari is strong and can do it tough. He faces easier horses now and has to be considered early. 4 Orlandina has run two races for the new trainer but not convinced. Mika Forss now and faces quite easy opponents. In the mix. 1 Himla B.Drift galloped fighting for victory in the last race and the form is a lot better than the latest results show.

10 Russjkat has four wins this year and is back in good shape again. He comes from two nice wins and this short distance suits the horse well. Our pick despite this number. 4 Nehemiah beat good horses after a nice finish two starts back. This shorter distance is an advantage and he is also better drawn than the main rivals. 8 Greenwich has good capacity if he shows the right attitude. Is driven by Ove A Lindqvist this time. Interesting. 3 Boogiewoogie Laday won five races last year but has not been as impressive this season. Outsider.

5 Burj Khalifa could finally score his first victory in the lead in the last race. Had shown great skills before that too and is really good for this class. Good chance for the new trainer here. 6 B.Sacamano has shown good strength and scored three straight wins before the last race. He will probably get an offensive journey here. 9 Estelle Ima is reliable and on the way up after a break. Was brave in the last race after an offensive trip. 2 Hey Sally did well from behind the leader in the last race and set a new record directly in the debut for her new trainer.

5 Mindyourvoice W.F. was second but very brave two starts back after a very tough journey. Was not as good from the back in the last race but is well drawn here and our pick. 7 Mellby Java is a nice three-year-old who started the career with two straight wins. Faces easier opponents again here and is the main challenger. 10 Gift From Love scored a tough win after a trip from outside the leader during the final lap. This starting method is an advantage. Possible in case of quick pace. 2 Estelle Tröjborg resumes from a spell but she has already scored four wins this season.

10 Ellen DeGeneres uses to meet tougher opponents and despite a couple of poor results we still think she is in good form. Nice task here. 9 Honky Tonk Angel had a good start this season and she has a couple of runs under her belt now after a pause. On the way up and early contender in this race for fillies and mares. 2 Deli is not reliable but she has been matched against tough opponents lately. Nice conditions now and chases the front. 1 Witheveryheartbeat has had poor numbers lately but is well drawn now and can open fast. Could win in the lead again just like in July.
