2 Laughingof Fear has met too good horses of his year but faces nice conditions in this Silver handicap and the gelding has top chance. 7 Sunlight showed alright form in the last race and has scored four out of six wins over this 2400 dt. 6 Inga Lilla showed good form over these conditions in the last race behind an outstanding Ray's Moon. In the mix. 5 Stargaze won over these conditions two starts back but was 4.5 lengths behind Inga Lilla in the race after. Place chance.

2 Nimitz has scored three very convincing wins in a row on the Bro Park turf. Good chance to win but dirt and this longer distance are question marks. 1 Zidane got defeated by Ken in the debut with two clear lengths at the end. Is certainly improved by that race and an early challenger. 3 Wakaba was third behind winning Troja in Stig Holms Pokal and clearly defeated. Possible in this company though. 4 Anno was improved in the last race over this distance. Could cause an upset in this Auction race 1.

6 Downtown Leo finished strongly in the last race but could never reach Zamson Said. Faces better weight towards the latter one today. Our pick. 2 Zamson Zaid has scored two very convincing wins in a row over the middle distance. Possible here despite tougher weight conditions now. 4 No Short Cuts scored a good third spot two starts back in a tough Valley Chapel Memorial. Possible challenger with a similar performance. 1 Beckham put in a strong effort in the last race and was second to Bugatti BF just closely defeated in a handicap for three-year-old horses. Should not be discounted.

5 Jet Action got an offensive start in the last race and the gelding gave up at the end. Will certainly get a more defensive ride today just like when he won. 1 Hear The Drums was third behind Jet Action in Summer Cup. Faces better weight towards the latter one today and could take revenge. 4 Scarlett was not at her best in the last race but scored a strong second spot behind Jet Action in Summer Cup. Contender. 3 Seneschal comes from a strong fourth spot in Stockholm Cup but prefers to race on turf too. Should not be discounted though.

4 Miss Wintown is undefeated on the Jägersro dirt after convincing wins in Derby Day Sprint and Altamira race. Will be hard to beat. 5 Starlight Song was beaten with 2.5 clear lengths by Miss Wintown in Derby Day Sprint. Possible if the favorite would not be at her best. 8 Diamond Soul was defeated by Miss Wintown in Derby Day Sprint but has improved a lot after that. Possible. 6 King Ferdinand has convinced a lot so far and scored seven wins in nine attempts. Possible challenger but this surface is a question mark.

11 Fast Forward scored a strong win in the Silver division two starts back and scored a nice win in a Golden handicap in the race after. Our pick. 6 Deadline Day was third to Fast Forward in the last race but faces much better weight conditions this time. 7 Neville Chamberlain showed good form in the last race. One out of many outsiders in this open Bronze handicap. 3 Freemanip is in great shape and should get a perfect ride in front with this number. Could lead this for a long while.
