1 Esprit Sisu has not started since the end of July. Can open fast behind the gate with this number one and should have a good chance directly here. 2 Laradja Vrijthout galloped directly in the last run but came back well and showed good form. Very good short-distance runner when he is at his best. 3 Hard Times is often matched against the best horses. Is consistent and good but does not win very often. In the mix. 5 Barry Wadd is in good shape. Place chance with the right defensive journey.

7 Maverick Meerkat has been improved lately and after 22 starts without a victory he has now two wins in a row. Galloped in the last turn in the last run but came back well. Our pick. 10 Ever Loving had been a non-starter before the last run. Took over the lead after 500 meter in the last run and won comfortably. Will defeat many opponents again. 11 Kemas Frasse has done alright in the lead lately. Different number now but could defeat many opponents with the right journey. 4 My Memphis comes from a sensational victory. Has been a non-starter after that. Outsider here.

9 One Cristal earned almost half a million SEK as a three-year-old last season. He seems back in good shape and comes from a strong effort finishing 13.5/1000. Our pick. 2 Joshua B.R. kept up the pace well from far back in the last race in the Finnish V75 on Vermo. Is well drawn and challenger. 10 Icon Mearas won directly in the first start for the new trainer in the last run. Should be improved by that run. 7 Eagle in Disguise scored three wins in seven starts last year but has not been as good this season.
